* See Knoxville BMP Manual (Chapter 7) for instructions and required information for the **Special Pollution Abatement Permit**. Knoxville BMP Manual contains guidance on preparing Erosion and Sediment Control Plan (Chapter 5) and Stormwater Pollution Prevention Plan (Chapter 6).

** The floodplain development permit, issued as part of a site development permit or a building permit, ensures that contractor & developer will comply with FEMA regulations/guidelines. An additional form, **FEMA Elevation Certificate & Instructions**, must be submitted after construction is completed. The form can also be downloaded from the FEMA website.
