

POLICE ADVISORY AND REVIEW COMMITTEE

CITY OF KNOXVILLE

1998 - 2018

Victor Ashe

Mayor Victor Ashe spearheaded the creation of the Policy Advisory and Review Committee (PARC) by an Executive Order issued on September 22, 1998. The Executive Order came in part to public outcry for change and civilian oversight of the Knoxville Police Department. PARC became a part of the City of Knoxville's Charter on May 29, 2001.

PARC was created in response to public outrage over the deaths of four men, three of them being African-American. The casualties were caused during confrontations with Knoxville Police Department officers within a seven month period.

Mayor's Commission on Police – Bernstein Commission
