

STABILIZATION PROJECT

Will Skelton Greenway

This project includes the renovation of approximately 950 linear feet of Will Skelton Greenway. The area of construction will be from the east end of the trail bridge, along the Tennessee River, to the Alamo Avenue street crossing starting on Monday, Nov. 23, 2015. Will Skelton Greenway will be closed from Spence Place to Alamo Avenue until work is completed. A detour route is available utilizing Island Home Avenue from Alamo Avenue and Home Street in the east and from Fisher Place, Willis Place, and Spence Place in the west.
