PAINTING, DRAWING, & PRINTMAKING

LINOCUT BLOCK PRINTING

\$100

4-WEEK CLASS

Saturdays, May 18th- June 8th

10:00am-1:00pm

Instructor: Alex Bonner

Linoleum or "Linocut" Block Printing is the unique style of printing that involves cutting away sections of a block to make a stamp. This allows images to be printed many times once the stamp is made. The real magic of linocut printing however, is that every print is individualistic, differing slightly from all the rest. In this class we

will learn about how to prepare and transfer a drawing to a block, how to cut, cutting safety, and print registration. This class offers ample time for individual exploration and opportunity to test the principles learned.

ACRYLIC AND OIL PAINTING

CRASH COURSE IN PHOTOSHOP 2-PART WORKSHOP

\$50

Tuesday, July 9th & Wednesday, July 10th
6:00 pm-8:00 pm
Instructor: Alex Bonner

Adobe Photoshop is one of the most widely used pieces of software for digital artists and designers. From its utility in editing photographs, to digital painting, to even basic animation, it is a powerful tool with an enormous breadth of possibilities. This, however, puts a steep learning curve on Photoshop. This two day workshop aims to build a base of knowledge for the Photoshop beginner and help them past this curve. We will explore Photoshop file setup, interface, layers, selection & extraction tools, and more. This workshop will be partially "lecture styled" but will also include exercises to complete as we go. Photoshop is best learned through experimentation and doing.

MARBLED CLAY FOR BEGINNERS 2-PART WORKSHOP

\$80

Saturdays, July 20th and 27th
1:00 pm-4:00 pm
Instructor: Rebecca J. Buglio

Learn the basics of colored clay by exploring techniques of neriage, or clay marbling. The class will start by exploring mason stain as ways to color clay, and move towards simple layering to create beautiful marbled blocks to throw with. If you have never thrown before, please be advised that this is not an intro to throwing class. Basic skills are required.

SPRAY PAINT TECHNIQUES FOR FINE ART 2-PART WORKSHOP

\$75

Mondays, July 22nd & 29th
5:00 pm-8:00 pm
Instructor: Eleanor Aldrich

In this two part workshop students will learn how to use spray paint in combination with acrylic paint to achieve different textures and effects. Experiment by layering different techniques and using stencils to make quick but complex

compositions. Acrylics will be used during the class but Oil Painters are welcome as the techniques are easily transferable.

HOW TO MAKE A NATURAL INDIGO VAT 1-DAY WORKSHOP

\$60

Saturday, July 27th
1:00 pm-5:00 pm
Instructor: Mirrah Johnson

Do you love fabric dyeing but dislike the chemicals that are used in dyes? In this class, I will show you the basics of how to make your own natural indigo vat using just 3 non-toxic ingredients, two of which you can buy at the grocery store. We will mix the vat and learn how to dye something in it. You will leave with a small indigo vat and a dyed bandana, along with all the information you need to mix up another one.
