

KEEM Contractor Eligibility

KEEM Contractors are contractors that are trained and eligible to bid and complete work on KEEM Projects. KEEM Contractors work to properly install energy savings measures as identified by certified energy auditors.

Eligibility requirements for New KEEM Contractors:

- Register as a contractor with CAC, complete a contractor registry form
- Register as a vendor with Knox County Purchasing at www.knoxcounty.org/purchasing
- Register as a QCN Member at www.2escore.com and attend eligibility training

Contractors Must Also Meet Minimum Business and Insurance Requirements:

- Current City Business License
- Current Knox County Business License
- State of Tennessee License
- Have been a licensed business for at least one (1) year
- Minimum General Liability Insurance
- Minimum Worker's Compensation Insurance

Are you an interested contractor? CAC has training opportunities and is available to answer your questions about the process. The first step is to let CAC know you are interested so we can help you through the processes of becoming eligible. Call CAC Housing & Energy and ask for information about KEEM at (865) 244-3080 or email at info@cachousing.org

Visit www.KEEMteam.com for more information and for updates on upcoming meetings and training opportunities.
