CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan.

91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Five Year Consolidated Plan covering PY2015-2019, included four goals: Strengthening Neighborhoods, Promoting Economic Development, Reducing and Ending Homelessness, and Promoting Affordable Housing.

The City used HUD funds to develop/construct and rehabilitate affordable housing for LMI residents. CHDOs built 9 owner-occupied houses that were sold to 9 homebuyers receiving down payment assistance. Another 3 houses are underway. The City helped HomeSource East Tennessee acquire land to develop new, affordable rental housing for seniors and households with special needs (Village at Holston Court, Holston Drive) and while two, independent living homes were planned as a State Medicare pilot project, one (housing 3 people) was completed in PY2018. In the same development, 24 affordable rental apartment units are currently under construction. The City completed substantial rehabilitation on 6 LMI owner-occupied houses (with 6 underway) and 10 units of rental housing on Pocahontas Drive. Still underway at the end of PY2018 are 40 units of affordable rental housing at Katey Springs Way and 20 at Apple Wood Apartments, Fountain Drive, both receiving substantial rehabilitation. The City partnered with CAC and Neighborhood Housing, Inc. (NHI) which assisted 162 LMI households with emergency and minor home repairs, and 30 LMI owner-occupied and 3 LMI rental houses with accessibility modifications. Also in PY2018, the City's locally-funded Affordable Rental Development Fund (ARDF) is assisting several developments under construction: Southside Flats, a 172-unit development on E. Martin Mill Pike; KCDC with 52 duplexes and 1 single-family home on Clifton Road, serving LMI seniors and special needs households; Young High Flats, a 156-unit development on E. Young High Pike; and The Flats at Pond Gap 102-unit development on Hollywood Road.

During PY2018, 46 blighted properties were remedied with local funds. Also in PY2018, the City used prior year CDBG funds to mow/maintain 84 blighted lots, preventing further deterioration. While the Commercial Façade Improvement program was not funded with HUD funds in PY2018, 12 facades were improved in LMA neighborhoods and redevelopment areas. The City, through a subrecipient agreement with the East Tennessee Community Design Center, used CDBG funds to assist 17 projects with design and technical assistance to improve LMA neighborhoods and redevelopment areas.

NHI's CDBG-funded *KnoxWorx* workforce development program trained 98 at-risk, young adults (also Section 3 residents). Construction work through CDBG-funded emergency and minor home repair programs created 10 new Section 3 full-time jobs, all of which were filled by Section 3 residents/14 Section 3 businesses. Other HUD-funded construction activities (housing rehabilitation and new construction) funded 15 Section 3 businesses. Mowing/maintenance of blighted properties funded with

CDBG assisted 3 Section 3 businesses.

The City coordinates the Continuum of Care (CoC) that supports homeless-related services as well as transitional and permanent supportive housing. While the City of Knoxville did not receive a direct allocation of ESG from HUD in PY2018, the City has a partnership agreement with the state to use ESG funds from HUD. THDA grant funds paid for rapid re-housing services that assisted 530 individuals. The City used local funds to support 1,328 individuals with: emergency shelter/services and transitional housing/services; day shelter and case management; outreach and connection to resources; homelessness prevention; and HMIS. The City contributed local funds for Project Safe Space, assisting people experiencing acute and chronic homelessness.

Table 1 - Accomplishments -- Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The City used over \$2.8M - all of its HOME funds and the largest percentage of its CDBG funds (about 69%) to support affordable housing programs. The City continued to support its housing rehabilitation programs assisting both LMI homeowners and renters in PY2018. CDBG funds in the amount of \$705,981 were granted to non-profit organizations assisting 193 LMI homeowners with emergency and minor home repairs and accessibility improvements, and 39 LMI renter households (36 units at Normandy Chateau will be reported in the PY2019 CAPER) with weatherization-related repairs or accessibility improvements.

Approximately \$81,000 (5%) of PY2018-2019 CDBG and \$38,000 of prior year CDBG funds were spent on strengthening economic development initiatives. The City funded Neighborhood Housing, Inc.'s Workforce Development program with \$119,000 to provide job training and credentialing to 98 at-risk young adults up to 29 years of age.

The City used \$50,000 (3%) of its CDBG funds in PY2018 to strengthen neighborhoods by supporting design and technical assistance services provided by the East Tennessee Community Design Center to 17 projects benefitting LMA neighborhoods and redevelopment areas.

The City also used \$11,689 in prior year CDBG funds to mow/maintain 84 blighted properties in LMA neighborhoods and redevelopment areas, saving them from further deterioration.

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The City served a total of 296 households with CDBG funds: 144 White, non-Hispanic households; 9 White, Hispanic households; 126 Black or African American, non-Hispanic households; 1 Asian, non-Hispanic household; and 16 households who identify as Black or African American and White, non-Hispanic (not shown in table above). A total of 25 households were served with HOME funds: 12 White, non-Hispanic households; 1 White, Hispanic household; and 12 Black or African American, non-Hispanic households.

Please note: 1) The term “household” is substituted for “families” in this section of the CAPER, as this chart includes both single individual households and households made up of more than one family member; 2) The total in the table includes 16 households who identify as Black/African American and White, non-Hispanic who were served with a CDBG-funded program; and 3) Housing Rehabilitation recipients, in most cases, received some CDBG, but mostly HOME funds (those households were counted under HOME).

ESG	public - federal	0	0

Table 3 - Resources Made Available

Narrative

The City of Knoxville had CDBG resources of \$2,218,666 in PY2018: an allocation of \$1,609,007 in CDBG funds from the U.S. Department of Housing and Urban Development (HUD), CDBG program income in the amount of \$100,333.60, and \$509,326 in CDBG that was left unspent from prior years. The City had total HOME resources of \$1,733,405 in PY2018-2019: an allocation of \$1,097,110 in HOME Investment Partnership funds from HUD and \$636,295 in HOME program income. The City received \$0 in ESG funds (direct HUD allocation) for the program year.

The City spent \$1,628,151.27 in CDBG funds and \$1,681,551.70 in HOME funds through the program year. CDBG funds supported housing rehabilitation activities for LMI homeowner and renter households (69%), LMA/neighborhood re-development support (5%), economic development activities including workforce development (7%), and program administration (19%) during the program year. HOME funds supported: new affordable rental housing development (30%); CHDO-developed owner-occupied housing for LMI households (27%); owner-occupied and rental housing rehabilitation for LMI households (26%); down payment assistance for low- and moderate-income purchasers of CHDO-developed housing (8%); and program administration (9%) during the program year. Any CDBG and HOME funds remaining to be spent are committed to projects that have not yet completed or are budgeted to PY2019 activities.

Table 4 – Identify the geographic distribution and location of investments

Narrative

Of the \$2.8M in HUD CDBG and HOME funds spent during PY2018 on affordable housing activities, approximately: 99.7% was spent in census tracts where Knoxville's low-income families reside (census tracts have at least a quarter (25%) share of families with low income); 99.7% was spent in census tracts that have at least a quarter (20%) share of units with one or more "conditions" (older housing stock

and/or cost-burdened households); 42.1% was spent in census tracts where at least 20% of the population has income below the poverty level; and 24.9% of funds spent benefitted households living in overlap/high priority areas. See attachments for map of Census Tracts (2010 Census), funds spent in census tracts, and maps showing conditions in census tracts. High priority areas are census tracts where there exists an overlap of low rates of opportunity (as indicated by: high rates of low income and poverty, high rate of use of public assistance, lack of living wage jobs, high unemployment, high housing and transportation costs as relative to income, high free- and reduced-lunch eligibility, low education attainment, low college enrollment), low rates of accessibility (as indicated by lack of use or presence of physical activity centers, active transportation, public transit, vehicle availability, retail food availability, healthy food for children) and high rates of vulnerability (as indicated by high rates of vulnerable populations such as people with disabilities, children, seniors and single parents, individuals with Limited English Proficiency (LEP), and racial and ethnic minorities). See a chart in Attachment 1 showing CDBG and HOME expenditures by census tract and maps showing census tract conditions.

The City has several redevelopment areas that are part of a larger investment that the City has been participating in for years, with multiple funding sources and partners, such as Knoxville's Community Development Corporation (KCDC). These are areas that have a larger share of low-income households/high concentration of poverty, a larger share of substandard and aging housing stock, lack of services and amenities, and blighted conditions. These conditions often overlap resulting in low opportunity, low accessibility, and high vulnerability of its residents. In the Lonsdale and the Five Points communities, for example, the City is supporting KCDC's efforts by committing local general funds as well as with its use of CDBG and HOME resources for housing rehabilitation. The City is also working to acquire and maintain blighted properties in these areas for future development potential for the communities. The City spent local general funds and about 7% of its CDBG funds to support economic development initiatives in neighborhoods and redevelopment areas that are located within or adjacent to low- and moderate-income areas (LMAs) and redevelopment areas. The Commercial Facade Improvement program supports the renovation of blighted buildings into viable businesses in redevelopment areas. NHI's *KnoxWorx* program targeted at-risk adults, up to 29 years old, in certain census tracts in Knoxville's inner city neighborhoods surrounding West, Austin East and Fulton High Schools for job training and employment opportunities.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

LMI homeowners receiving owner-occupied housing rehabilitation through the City's Community Development Department program paid back \$1,080,667.96 (from all sources) in loan payments and interest in PY2018, funding more loans for LMI homeowners and affordable rental housing owners/developers and supporting grants to LMI households for emergency, minor home and weatherization-related repairs through the CAC. CAC leveraged \$354,649 in other funds through the East Tennessee Foundation, the East Tennessee Development District, and the Knoxville Utilities Board (KUB) to support home repairs and weatherization/energy efficiency upgrades to housing occupied by LMI homeowners and renters. Neighborhood Housing, Inc. (NHI) contributed \$210,655 in local funds and volunteer labor from several area churches, agencies and businesses to leverage CDBG funds from for minor home repairs and accessibility improvements for LMI homeowners and renters. Leveraged HOME funds for the program year include: \$979,294 from CHDO homebuyers; \$894,337 in contributions from CHDO housing developers; and \$38,072 from rental projects. The City of Knoxville pledged a total of about \$13M in local funds to support KCDC, its local public housing authority, with development of affordable, rental housing in the Five Points revitalization area (to-date, \$10.4M in local dollars was spent). Finally, the City contributed \$680,819 in local funds in PY2018 through the Affordable Rental Development Fund (ARDF).

The NHI Workforce Development program leveraged \$402,887 in a U.S. Dept. of Labor Youth Build grant, cash and in-kind donations. The East Tennessee Community Design Center contributed \$24,108 in state/local funds to support their design and technical assistance program. The developers of the Farragut Hotel contributed \$25M towards the rehabilitation of the hotel (providing 64 full-time equivalent jobs).

The State of Tennessee, through the Tennessee Housing Development Agency (THDA), contributed \$161,250 in HUD ESG funds for rapid re-housing services. The City matched these funds through its contribution of local general funds in the amount of \$1,209,636 (including \$201,000 in homeless agency grants) in PY2018. These dollars funded agencies providing: homelessness prevention services, case management, street outreach, emergency shelter/services, transitional housing/services, permanent housing and essential services, support for the Coordinated Entry System and Homeless Management Information System (KnoxHMIS). The agencies funded reported leveraging \$1,519,891.43 in other funding.

The City now supports the acquisition of blighted properties with local funds. An inventory of City-owned properties is attached (see attachments). Many of the properties were blighted properties within the Lonsdale Redevelopment area and will be redeveloped to enhance the neighborhood. Other properties will be sold as part of the City's Homemaker program.

The City had three HOME match contributions during the program year, totaling \$101,619.40.

Total	240	223

Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The difference between the goal and actual number of “non-homeless households” to be provided affordable housing units is due to:

- 1) Rental Development projects: ECG/Southside Flats is still underway (goal 172, actual 0) as is Home Source East Tennessee’s Village at Holston (goal 30, actual 3) with 24 units still under construction and the remaining 3 units (a second, state-funded house with supports is in the process of being funded).

- 2) Rental rehabilitation project – Premier Properties at Katey Springs Way is still underway (goal 40 units, actual 0);
- 3) Rental rehab/weatherization project – Normandy Chateau completed in September 2019 (goal was 22, actual is 36) that will be reported in the PY2019 CAPER;
- 4) Owner-occupied rehabilitation – the goal was 10 and 6 were completed during the program year, with another 6 underway and expected to be completed in September 2019 (will be reported in the PY2019 CAPER).
- 5) Accessibility modifications – a lack of renter-households applying for assistance for accessibility modifications (goal 10, actual was 3). Although the agency advertised the program, applications were very limited.

Discuss how these outcomes will impact future annual action plans.

Construction, especially of multi-family units, is not a fast or predictable process – obtaining commitments of non-HUD funding, construction bidding, inclement weather, and a lack of applicants/qualified applicants often cause delays or projects to not meet goals during the program year.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	144	7
Low-income	94	8
Moderate-income	58	10
Total	296	25

Table 13 – Number of Households Served

Narrative Information

Please note: 1) The above information is based on numbers of households, not individual persons, 2) Owner Occupied Housing Rehabilitation and Rental Housing Rehabilitation using both CDBG and HOME funds were counted under HOME totals, and 3) CHDO-developed units that were not sold have not yet benefited a household.

Income is defined by the annual household income, adjusted for family size, and as a percentage of the median area income for the MSA.

CDBG funds were used to fund two non-profit, housing providers/sub-recipients in PY2018: the Knoxville-Knox County Community Action Committee (CAC) and Neighborhood Housing, Inc. (NHI). CAC served 48 extremely low-income households, 41 low-income households, and 42 moderate-income households. NHI served 26 extremely low-income, 27 low-income and 11 moderate-income households. HOME funds were used to fund four different programs in PY2018: Owner Occupied Rehabilitation, Rental Housing Rehabilitation and Development, Down Payment Assistance, and CHDO new housing construction programs. The Owner Occupied Housing Rehabilitation program served 1 extremely low-income household, 1 low-income household, and 4 moderate-income households. The Rental Housing Rehabilitation program served 5 extremely low-income households, 3 low-income households, and 2 moderate-income households. The Down Payment Assistance program assisted 1 extremely low-income household, 4 low-income households, and 4 moderate-income households – all purchasers of CHDO-developed housing.

During PY2018, the City allocated \$3M (and spent \$680,819) local, general funds through the Affordable Rental Development Fund (ARDF) to support development of new affordable rental housing for LMI households. Elmington Capital Group's Southside Flats, E. Martin Mill Pike was started in PY2017-2018 and is still under construction through PY2018. It will include project-based Section 8 vouchers. Three additional rental developments were initiated during the program year: KCDC's Clifton Road development (53 units, with 12 rent-restricted to households at 30% AMI and 41 households at 60% AMI) and Elmington Capital Group's Young High Flats, Young High Pike (156 units, with 47 rent-restricted to households at 50% AMI) and Flats at Pond Gap, Hollywood Road (102 units, with 16 rent-restricted to households at 50% AMI), for a total of 311 units, that also include project-based assistance through KCDC. Another five developers, serving low income and special needs households, have applied for funding going into PY2019, totaling 395 units in the pipeline. The City anticipates that it will be able to meet funding requests because the Mayor and City Council allocated an additional \$2M to support affordable housing in PY2019. HOME funds may also be committed to all or some of the projects, as well.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

While the City of Knoxville did not receive a direct allocation of Emergency Solutions Grant (ESG) funds from HUD in PY2018, it did receive HUD ESG set-aside funds from State of Tennessee, through the Tennessee Housing Development Agency (THDA). The City also committed (and spent) \$201,000 in local funds in PY2018 on competitive homeless agency grants that provide services to people experiencing homelessness. Additional local City funds in the amount of \$210,455 paid for general street outreach and for case management to sex workers in PY2018-2019, as part of the *Project Safe Space*. Street outreach programs were provided through CAC Homeward Bound, Helen Ross McNabb Center's PATH Program and Sex Worker Diversion Program, CONNECT Ministries, Positively Living and VMC Street Outreach.

The Knoxville-Knox County Homeless Coalition convenes an interagency working group to coordinate efforts and resources to work with particularly challenging cases in order to get them off the streets, into permanent housing and connected with appropriate resources. The Helen Ross McNabb Center *Cooperative Agreement to Benefit Homeless Individuals (CABHI)* Program seeks to reduce homelessness among veterans and/or individuals with severe and persistent mental illness. The CABHI Program provides outreach, case management, assistance finding employment and applying for disability benefits, as well as ongoing peer support.

Addressing the emergency shelter and transitional housing needs of homeless persons

In PY2018 the City used \$145,000 in local general funds to support emergency shelter/services and transitional housing/services through: Catholic Charities Samaritan Place, Salvation Army's Joy Baker Center, VMC's Day Resource Center and dental services, and the YWCA. Each agency provided case management, counseling, life skills workshops, educational training, job referrals and networking for housing opportunities. During the program year 1,328 individuals received essential services while in emergency shelter/transitional housing and 761 received direct assistance at the day/walk-in resource center. In July 2019, the City committed \$245,000 in local funding to the VMC to rehabilitate a building as a low-barrier shelter that will house approximately 45 individuals referred by street outreach social service workers.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections

programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City used \$305,000 in local, general fund dollars, to fund three agencies that provided case management/homelessness prevention services in PY2018. The VMC, Knoxville Leadership Foundation's SE Housing, and CAC provided homelessness prevention activities at Minvilla Manor (a Permanent Supportive Housing/Housing First residential complex which houses 57 at-risk individuals), Flenniken Landing (also a Permanent Supportive Housing/Housing First development that houses 48 at-risk individuals), and 219 individuals at-risk for homelessness living in KCDC housing, respectively. According to KnoxHMIS, 3,479 individuals received financial assistance to prevent them from becoming homeless in PY2018.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

During PY2018, 530 individuals received rapid re-housing services through to CAC's Homeward Bound Program and the Volunteer Ministry Center (VMC). Programs are focused in particular on individuals and families experiencing chronic homelessness, as well as veterans. The City used \$150,000 in HUD ESG set-aside funds from THDA via sub-recipient agreements with CAC and VMC to implement rapid re-housing activities.

For rapid re-housing programs, 'time to housing' decreased from 64 days in PY2017-2018 to 48.5 days in PY2018. Emergency shelter programs increased their 'time to exit' from 39.75 days in PY2017-2018 to 56.35 days in PY2018-2019. Transitional housing 'time to exit' was at 132 days in PY2017-2018 and decreased to 125.75 days in PY2018. Finally, permanent housing 'length of stay' increased from 1076.25 days in PY2017 to 1323.5 days in PY2018.

UT's SWORPS program, that manages *KnoxHMIS*, also facilitates Knoxville's Coordinated Housing Assessment Match Plan (CHAMP), which aims to quickly assess the needs and strengths of those experiencing homelessness to better match them to the most appropriate community resource. Knoxville's CHAMP system uses the Vulnerability Index and Service Prioritization Decision Assistance Tool (VI-SPDAT) to measure individual needs and help with proper housing and services placement.

The lack of sufficient affordable housing stock continues to be a significant barrier to reducing 'time to housing' and ending homelessness. The City is working to address this need through its Rental Housing Rehabilitation program, its CHDO-developed rental housing, and through the development of new

affordable rental housing units. Ten units of affordable rental housing were rehabilitated for LMI renters during the program year. Home Source East Tennessee has 24 units of affordable rental housing under construction currently at the Village at Holston Court (3 units were completed in PY2018). The City is providing local ARDF funds to assist with the development new affordable rental housing: 34 new units have been completed (Restoration House and Helen Ross McNabb's Middlebrook Pike complex) in previous years, approximately 483 new units are currently under construction, and 401 units are in the development pipeline. The City of Knoxville also assisted KCDC, its local public housing authority, with the development of affordable, rental housing in the Five Points revitalization area.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

Knoxville's Community Development Corporation (KCDC) is the redevelopment and public housing authority for the City of Knoxville and Knox County, Tennessee. Currently KCDC's affordable housing portfolio includes 3,525 low-income units being managed under the Low-Income Public Housing and Project-Based Rental Assistance Programs; 3,675 Housing Choice Vouchers; and 82 Mod-Rehab units. Over the years, the agency has primarily used Capital Fund Program and Replacement Housing Fund grants to improve or replace deteriorated housing.

KCDC is in year three of converting its low-income public housing properties to PBRA/RAD. PBRA/RAD, short for Project-based Rental Assistance/Rental Assistance Demonstration, was designed by HUD to assist in addressing the capital needs of public housing by providing KCDC with access to private sources of capital to repair and preserve its affordable housing assets. PBRA/RAD allows for mixed financing options via loans through Low Income Housing Tax Credits, Knoxville Housing Development Corporation, City of Knoxville and private lenders in conjunction with Capital Funds, Operating Subsidy and Replacement Housing Factor funds. Properties expected to convert during the upcoming Fiscal Year include: Austin Homes, Cagle Terrace, Guy B. Love Towers, Isabella Towers, and Residences at Eastport.

Beyond the conversion of Austin Homes to PBRA/RAD, KCDC has undertaken a Master Plan for that community. The Master Plan design phase was completed during spring 2019, and will begin to be carried out in the upcoming fiscal year. Relocation of tenants from Austin began in June 2019 as the site is prepared for demolition. Once the above five properties are converted, KCDC will turn our efforts toward the final conversions in our portfolio of Northgate Terrace, The Manor at Northgate, and Western Heights. KCDC is currently involved in administering an Emergency Grant to address some of the most needed items at Western Heights between now and eventual conversion to RAD PBRA. This is expected to be wrapped up in late 2019, with full occupancy by end of March 2020.

KCDC continues to address the Five Points Neighborhood Redevelopment, which has so far used a combination of funds from RAD and Low-Income Housing Tax Credits, as well as money from the City of Knoxville, to build 174 units of Family and Elderly/Disabled designated housing. These units were completed at Five Points, with all units leased by the end of 2018. Additionally, Five Points three (80 Family-Style Units) began renting units. This site will be at 100% occupancy by the end of September. The groundbreaking for Five Points 4 (82 Family-Style Units) occurred in late spring 2019, and site preparation has begun there with plans for full occupancy of the property by fall of 2020. The former remaining units that once comprised Walter P. Taylor Homes have been demolished.

Project-Based Vouchers (PBV) are another means of providing more affordable housing in Knoxville. Over the next fiscal year, KCDC will administer a total of 351 PBVs in Knoxville/Knox County. This number includes 214 existing PBVs, an additional 84 PBVs under AHAP, and 53 new PBV units which KCDC is building off Western Avenue on Clifton Rd. These 53 units are expected to be leased by calendar

year-end 2019. KCDC continues to look at opportunities to expand the PBV program in the Knoxville area.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

Residents participate and provide feedback related to KCDC's planning and implementation of projects through the Knoxville Tenant Council, site-based resident associations and the Section 8 Advisory Board.

Section 8 has surpassed 100 homeowners who have completed KCDC's homeownership program as of 2018. We anticipate at least an additional 10 to graduate the program in the coming year.

Residents who are not working, participating in economic self-sufficiency programs, or are not elderly or disabled perform required community service monthly in order to contribute to their neighborhoods.

Actions taken to provide assistance to troubled PHAs

KCDC is not designated a troubled housing authority.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City has undertaken the actions described in the PY2015-2019 Strategic Plan and the PY2018 Action Plan, as described above, including marketing an increasing number of parcels through its locally-funded Homemaker's Program, correcting obstacles before sale to developers, acquiring abandoned property and clearing titles, and offering subsidies to facilitate affordable development. Knoxville City Council passed *ReCode Knoxville*, a complete overhaul of its zoning codes, in August 2019 that will take effect on January 1, 2020.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

Addressing the need for affordable housing was the City's highest priority for its HUD funds. The City spent approximately \$1.09M of its HOME funds on the development and new construction of affordable LMI owner-occupied and rental housing. While the City is required by HUD to set aside 15% of its annual HOME allocation for Community Housing Development Organizations (CHDOs), in PY2018, it *budgeted* close to 39% (or \$427,873) and *spent* 61% (\$674,153) of the annual allocation through the program year.

During PY2018, the City also supported private developers of affordable housing by assisting with documentation required by the State of Tennessee for tax credits through THDA and contributed \$323,000 in local funds to the East Tennessee Foundation's Affordable Housing Trust Fund to support affordable housing goals (including rental housing rehabilitation) in the city of Knoxville. The City continued to contribute to its own, locally-funded Affordable Rental Development Fund (ARDF), adding another \$3.5M during the program year. Two projects have been completed, totaling 34 units of affordable housing to-date and four developments totaling 483 units are currently under construction. Projects in the pipeline at various stages in the planning process total 401 units of new affordable housing. The ARDF was funded for PY2019 with an additional \$2.5M.

The City also supported the development of new affordable housing by assisting KCDC, Knoxville's public housing authority, during the program year. KCDC is focusing on the revitalization of the Five Points neighborhood which includes the Walter P. Taylor Homes public housing development. Previous phases of this plan included construction of 20 units of elderly housing and 17 family units on in-fill lots in addition to the development of 85 units of elderly housing at the Residences at Eastport. Funded with low-income housing tax-credits, Phase 1 on the Walter P. Taylor Homes site included 90 units of elderly/disabled housing and was completed in 2016. Phase 2, 84 new family units, was completed in 2018. Phase 3 (80 Family-Style Units) began renting units in PY2018. This site is expected to be at 100% occupancy by the end of September 2019. The groundbreaking for Five Points 4 (82 Family-Style Units) occurred in late spring 2019, and site preparation has begun there with plans for full occupancy of the

property by fall of 2020. The City is working with KCDC on the future re-development of Austin Homes.

The City is attempting to address other unmet, underserved needs through its use of HUD funds, State ESG funds, by contributing local funds, and finding innovative ways to partner with other community organizations to: increase the supply of new, affordable housing in all areas of the city, especially for vulnerable populations; help improve the quality of the existing affordable housing stock and prevent displacement of LMI homeowners and renters in neighborhoods (including redevelopment areas) by providing housing rehabilitation, emergency and minor home repairs, weatherization/energy efficiency, accessibility modifications, and lead-based paint education and abatement; ensure quality in its development and revitalization projects that provide opportunities for LMI job-seekers, as well as small and minority- and women-owned businesses; support its partners in preventing and ending homelessness; and generally, to improve the quality of life in the city for all residents.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City of Knoxville previously received (from 2013 to 2017) a Lead Hazard Control grant from the HUD Office of Healthy Homes and Lead Hazard Control (OHHLHC) and partnered with CAC to perform targeted outreach and education, as well as the completion of lead hazard remediation projects, and the completion of healthy homes interventions. In early 2019, the HUD OLHCHH awarded the City of Knoxville a 42-month, \$3.6M grant to continue lead-hazard control and healthy homes measures, including outreach and education to at-risk LMI households. The first screenings were started in August 2019 and will be reported in the PY2019-2020 CAPER.

The purpose of the program is to identify and control lead-based paint hazards in eligible privately owned rental and owner-occupied housing. Those who qualify may receive a grant for repairs designed to remediate lead-based paint hazards, including replacing old wooden windows with new vinyl windows, vinyl siding and aluminum trim, covering porch floors and ceilings, and fresh paint.

The City performs risk assessments for its housing rehabilitation projects and Homemaker's program properties, as necessary, with four staff who have been licensed by the State of Tennessee and certified by the U.S. Environmental Protection Agency to perform lead-based paint inspections and risk assessments. Each staff person participates in on-going training to keep their licenses up to date. The City and CAC both own an XRF analyzer, which receives maintenance according to the required schedule and its use is documented according to State requirements.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Initiatives such as: NHI's *KnoxWorx* workforce development program that target at-risk young adults; revitalization and development that creates and/or retains jobs in low- and moderate-income areas (LMAs), including redevelopment areas, through the Commercial Façade Improvement program; housing assistance programs that help keep housing costs affordable; as well as opportunities that come with construction/development – all help in providing higher income opportunities for individuals and

families at poverty-level.

For those who are unable to work or are underemployed, the City carried out the actions described in this document and the PY2015-2019 Consolidated Plan to positively impact and reduce the number of poverty-level families. Most of the HUD funds spent on housing were spent in census tracts where there is a high concentration of families with household incomes below poverty-level (see attachments). In addition to these activities, City of Knoxville general funds and a set aside of State of Tennessee ESG funds were used to provide homelessness prevention and rapid re-housing services to families that are the most vulnerable and lowest-income. The City of Knoxville also provided local funds to support KCDC with development of affordable, rental housing in the Five Points revitalization area (\$10.4M, of \$13M committed, in local dollars has been invested to date).

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City's Office on Homelessness staffs the quarterly meetings of the Mayor's Roundtable on Homelessness. Department staff also participate in the coordinating bodies for several agencies that perform community development activities, including Knoxville-Knox County Homeless Coalition, Affordable Housing Trust Fund Advisory Board, Equality Coalition for Housing Opportunity, and the NAACP, etc. Staff also serve on or provide information to task forces related to neighborhood revitalization, such as the Chronic Problem Properties Committee, Abandoned, Blighted and Vacant (ABV) Properties Committee, the Better Building Board and Blighted Properties Redevelopment Program loan review committee, Affordable Housing Trust Fund, East Tennessee Community Design Center Board, and Broadway Corridor Task Force.

During PY2010, the City of Knoxville Community Development Department on behalf of a consortium of partners, applied for and received a Sustainable Communities Regional Planning Grant (SCRPG). The City served as the grantee and fiscal agent for this five county regional planning initiative which includes local governments, agencies and citizens in the development of a plan for sustainable growth in the region. This was the first time such a large scale, coordinated planning effort had been implemented in the East Tennessee Region. The final plan was completed in early 2014. East Tennessee Quality Growth continues to serve as the Regional Convening Organization focused on sustainable, equitable growth.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City's Office on Homelessness staffs and coordinates the Mayor's Roundtable on Homelessness, a quarterly meeting of housing and service providers. City Community Development staff regularly meet with affordable housing providers, including non-profit and CHDO housing developers and for-profit affordable housing developers.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

HUD has required cities and public housing authorities receiving federal funds for housing and community development to Affirmatively Further Fair Housing (AFFH) since the inception of the Fair Housing Act in 1968. The City annually reviews impediments identified in the 2005 and 2010 Analysis of Fair Housing Impediments studies. Issues focused on education and awareness; patterns of housing practitioners; race, class and ethnicity discrimination in rental and home purchasing; and lastly, the need for accessible and affordable housing opportunities. The City of Knoxville's current Strategic Plan incorporated information from the Plan East Tennessee Equity Profile, also known as the *PlanET* Fair Housing and Equity Assessment (FHEA), completed in 2014. The City plans on conducting an Analysis of Impediments to Fair Housing (AI) in preparation for the PY2020-2024 Consolidated Plan. The City remains committed to affirmatively furthering fair housing, understanding disparities in opportunity, and promoting equity in all of its activities.

The City implements fair housing and equal opportunity programming in compliance with civil rights regulations and guidelines. Affirmatively Furthering Fair Housing and identifying actions and strategies that impact equal housing opportunities are two goals for the Community Development department. Fair Housing posters are on display in the City's Community Development Department, and the federal equal housing opportunity logo is placed on printed materials. Staff worked with various housing practitioners (lenders, apartment owners, realtors, insurance agencies and landlords) in promoting fair housing and the placement of the logo on materials. The City makes referrals for tenant/landlord matters to Legal Aid of East Tennessee and, for fair housing discrimination complaints, to the Tennessee Human Rights Commission (THRC) which administers the Fair Housing Assistance Program. The City's fair housing brochures, fact sheets, posters, display information, and website explain the Fair Housing Act and the importance of housing equality, and also provide an overview of the seven protected classes. Several materials are translated in Spanish. The City co-sponsors the annual Knoxville Area Fair Housing and Equal Opportunity Conference with the Equality Coalition for Housing Opportunities, attended by numerous civic groups, advocacy organizations and housing practitioners.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The Community Development Department Director and Administrator oversee the planning and budgeting process to ensure that the projects developed are consistent with grant requirements. This planning process also ensures that each funded project is consistent with the PY2015-2019 Consolidated Plan and makes progress toward identified community development objectives. City Community Development staff work with and maintain relationships with Knoxville-Knox County Planning (formerly called the Metropolitan Planning Commission) that manages comprehensive long range planning for the city of Knoxville.

All sub-grantee projects are assigned to a Project Specialist for oversight, monitoring, and technical assistance. The Section Manager drafts contracts with input from the sub-grantee and Project Specialist. The City Law Department finalizes the contracts in order to ensure compliance with applicable laws and regulations. Sub-grantees submit quarterly progress reports and a completion report. Reports are reviewed by the Project Specialist to ensure contract compliance. Funds are typically provided to sub-grantees on a reimbursement basis. Reimbursement requests are submitted to the City on a quarterly or as-needed basis, and contain supporting documentation for all expenses for which reimbursement is requested. Requests are reviewed, revised (if necessary), and approved by the Project Specialist, then reviewed and approved by the Section Manager. The Finance Specialist prepares a check request, which is approved by the Section Manager and Director prior to submission to the City Finance Department. Sub-grantee monitoring is performed on an informal basis through telephone, email, and periodic meetings between City and sub-grantee staff. Formal monitoring is performed on an annual basis (except in the case of low risk sub-grantees or projects). Formal monitoring is conducted by the Project Specialist and Section Manager at the sub-grantee's office, and includes review of agency policies, procedures, financial records, and project documentation. A written report is issued following a formal monitoring session, and any findings or concerns that require sub-grantee action are followed up on by both the sub-grantee and City staff.

For City housing activities, applications for assistance are analyzed by Housing Finance Supervisor and the Housing Manager for compliance with program guidelines. Housing Rehabilitation Specialists provide detailed specifications for ensuring that the activity meets Neighborhood Housing Standards and cost estimates to ensure that construction bids are reasonable and allowable. During the construction process, all activities are monitored by Housing Rehabilitation Specialists for compliance. The Housing Construction Manager reviews, approves work and activities during each step of the rehabilitation process. The Director periodically conducts in-house monitoring. Payment for contractor and other housing activity expenses are processed by the Housing Finance Supervisor, Housing Manager, and approved by the Director prior to payment.

The Administrator and Administrative Technician oversee the Department's overall expenditures and financial status, and assists the Director in drawing funds from HUD on a regular basis. Special regulatory requirements are addressed by several staff members. The environmental review process is overseen by the Director, who has been delegated this authority by the Mayor. For projects requiring procurement and federal labor standards compliance, the assigned project monitor provides technical assistance to the agency performing the project, oversees the bid process, works with contractors, and reviews certified payroll.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Notice was published in the Knoxville News Sentinel on Tuesday, August 27, 2019 (see Attachment 2). The draft of the PY2018 CAPER (see Attachment 5) was made available for public comment for 15 days, from September 11 to September 25, 2019. The Focus, a community newspaper also ran a story with a link to Community Development's webpage. A link to the draft CAPER also appeared on the City's website and notice was published in the City Office of Neighborhood's Neighborhood Advisory newsletter during this time. Please see Attachment 2. A hard copy of the draft PY2018 CAPER was made available for review in the Community Development Department. Hard copies of the draft were also offered to those not having internet access.

One comment was received about the CAPER, from the chair of the NAACP Affordable Housing committee: "Much gratitude for all the work your team has accomplished this past year. Your assessment of it was well done. Many successes."

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The overall goal of HUD's community planning and development programs is to support viable communities by providing decent housing and a suitable living environment and expanding economic opportunities principally for low and moderate income persons. The City of Knoxville's performance during the reporting period has been consistent with this overall HUD goal and with the objectives and priorities in the City's annual plan and the five year Consolidated Plan strategy. The City's activities for the reporting period improved housing conditions for owner-occupants and renters, created homeownership opportunities, assisted in the provision of housing and services to the homeless, eliminated blighting conditions, and enhanced or improved services, infrastructure and facilities in lower income neighborhoods.

The City has worked to build additional resources to accomplish its community development goals. The City applied for a Section 108 Loan Guarantee Program loan through HUD in September 2015 to assist in the redevelopment of the historic Farragut hotel building in Downtown Knoxville. Approval of the loan was received in April 2016 and \$2.9M was drawn down in PY2016. The \$2.9M loan (total project cost was almost \$28M) was used to fill the gap in development costs and upon completion (late December 2017), the 165-room Hyatt Place created 64 FTE, full time equivalent jobs.

During PY2018, the City of Knoxville contributed a substantial amount of its local, general funds to the Community Development budget. Most significantly, the City allocated an additional \$3.5M to the Affordable Rental Development Fund (ARDF) to support the development of new, affordable rental housing. Since the City's direct allocation of ESG funds from HUD were discontinued in PY2014, the City increased its commitment to the provision of services to the homeless by contributing \$740,617 in local general funds (\$615,500 so far in the PY2015-2019 Consolidated Plan period). These funds were spent on emergency shelter and services, transitional housing and services, homelessness prevention, rapid re-housing and HMIS services. The City has also contributed approximately \$500,000 per year to the improvement of commercial facades in redevelopment areas, contributing to job creation and retention. The City continues to support with local funds the acquisition of blighted, vacant property in neighborhoods and provide basic maintenance through its Homemaker's program. The City of Knoxville has also pledged a total of about \$13M in local funds to support KCDC, its local public housing authority, with development of affordable, rental housing in the Five Points revitalization area (\$10.4M in local dollars has been spent, to-date).

A \$3.6M grant from HUD's Office of Healthy Homes and Lead Hazard Control was also secured during PY2018 and supplemented CDBG and HOME funds spent on minor and major home rehabilitation. The grant period extends through the PY2022. The City continues to fund an Affordable Housing Trust Fund through the East Tennessee Foundation with \$323,000 in local tax revenues which is a flexible funding

source that helps to increase the supply of affordable housing in the region.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

The City performed the following on-site inspections:

1. 3235-3243 Washington Pike on June 12, 2019, 12 units. Deficiencies: None
2. 1629 Luck Ave. on April 16, 2019, one unit. Deficiencies: a broken bedroom door. Status: Corrected on May 7, 2019
3. 3205 Burnside St. on March 26, 2019, one unit. Deficiencies: None.
4. 2765 Ontario St. on May 2, 2019, one unit. Deficiencies: House needs treatment for insects, siding on east side of home needed to be reattached, handrail on exterior stairs needs repair, ceiling light fixtures need globes and smoke alarms were not working properly. The landlord also didn't bring tenant income documentation and leases to the inspection. The landlord has been given an extension till September 30, 2019 to correct all deficiencies.

Landlords are provided with a written list of deficiencies and given a reasonable amount of time to complete them. The properties are re-inspected upon completion. All tenant and rental data are reviewed during inspections. All units were in compliance with HOME income and rent limits except we are still waiting on documentation of this for the unit at 2765 Ontario St.

**Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units.
92.351(b)**

During the reporting period, the City's HOME-assisted projects which contained more than 5 HOME-assisted units each increased from 4 to 5, due to a new 10-unit project completed during the year. All of the projects accept tenant's rental assistance, receive project-based assistance or have a written agreement with the City allowing preference to be given to certain underserved populations (homeless veterans, in this case) and all lease to tenants from a waiting list. A majority of the tenants in the HOME-assisted units represent populations from protected classes-racial minority, households with children the elderly and/or those with a disability. Three of the projects are owned by CHDO's and

vacancies are posted on each of the CHDO's websites and TNHousingSearch.org. Fliers are posted at the KCDC, and the Knoxville Area Urban League is notified of any vacancies. One CHDO also does outreach to social service agencies/local ministries during the year such as CAC, the Salvation Army and Knox Area Rescue Mission.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

HOME program income is generated by HOME-funded housing rehabilitation and property acquisition projects. During the program year, a total of \$640,660.93 in HOME program income were received through HUD's Integrated Disbursement and Information System (IDIS) for eligible housing activities. HOME program income in the amount of \$636,294.81 was drawn during the program year: \$212,512.46 to fund Southside Flats (172 units of new, affordable rental housing); \$166,293.49 to fund 7 units of owner-occupied housing rehabilitation (3 very low-income and 4 low/moderate-income households); \$127,185 to fund two CHDO activities (one new owner-occupied house and Home Source East Tennessee's The Village at Holston Court); \$90,109 funded 7 CHDO-homebuyers with down payment assistance loans (1 extremely low-income, 3 very low-income, and 3 moderate-income households); and \$40,194.86 using HOME program income for HOME administration (PI/PA).

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

Promoting Affordable Housing is a high priority goal that includes the following objectives: 1) Support Energy Efficiency and Housing Rehabilitation; 2) Support the Development of Supportive Housing for Special Needs Populations and Independent Living for the Elderly; and 3) Support the Development of New, Affordable Housing Construction. The City addresses these objectives in its action plan through its Owner Occupied and Rental Housing Rehabilitation programs with CDBG and HOME funds, and through CDBG funds sub-granted to CAC and NHI for emergency and minor home repairs. The City was also the grantee for \$15M in Tennessee Valley Authority (TVA) grant funds for the Knoxville Extreme Energy Makeover (KEEM) program from PY2015-2016 through PY2016-2017. The KEEM team was led by the Knoxville-Knox County Community Action Committee (CAC) in partnership with the City of Knoxville, Knoxville Utilities Board (KUB), and the Alliance to Save Energy. The project team applied for this funding to support the Smarter Cities Partnership, a coalition of more than 20 community organizations seeking to improve the quality, comfort and affordability of Knoxville homes through energy efficiency. Approximately \$8.9M was spent upgrading 755 homes in the two years of the program (the program ended in June 2017) to reduce their energy consumption and increase in-home comfort for low and moderate income homeowners and renters (including Section 8 housing). The average savings in per cent kiloWatt hours (%kWh) was 30% with over 6,217,232 kiloWatt hours (kWhs) saved over 1,511,633 total square feet. To support that work specifically, the City funded CAC with CDBG funds to ensure that needed non-weatherization repairs could be addressed so the house qualifies for the KEEM weatherization improvements. Although the KEEM program ended when the remaining TVA dollars

were expended, CAC and KUB have continued the Round it Up program through PY2018-2019. The City continues to support CAC with CDBG funds as it undertakes its TVA-funded Home Uplift program. The City funded the acquisition of property to Home Source East Tennessee, a CHDO, in PY2016-2017 to build 27 units of affordable rental housing at *the Village at Holston Courts*. A state-funded group home (3 units) for vulnerable, low income seniors completed this program year. The 24 remaining units are currently under construction, with completion expected by 2020. The City also took an application from the Helen Ross McNabb Center for the development of 50 units of independent housing for low-income seniors that it intends to fund with ARDF Funds in PY2019. The City outlined in its action plan that it seeks to fund new special needs (including elderly populations) housing construction through its Rental Housing Rehabilitation program. The City supports CHDO-developed new affordable housing construction in its action plan. The City created its own, locally-funded Affordable Rental Development Fund (ARDF) to assist non-profit and for-profit developers of new, affordable rental housing. Eight million dollars have been committed by the City. The City of Knoxville also committed \$13M in local funds to support KCDC, its public housing authority, with development of affordable, rental housing in the Five Points revitalization area and intends to support its plans to redevelop Austin Homes in future years.

10. Input Welcomed on CD Performance and Evaluation Report

A draft of the City of Knoxville's PY 2018-2019 Consolidated Annual Performance and Evaluation Report (CAPER) will be available for citizen review and comment beginning on Wednesday, Sept. 11.

The report describes how the City of Knoxville spent last year's federal funding from "Community Development Block Grant" and "HOME Investment Partnerships Act." The report will be available for review in the City's Community Development Office, 5th Floor City-County Building, 400 Main St. It will also be available on the City's web-site at www.knoxvilletn.gov/development under "Reports and Plans."

If you would like the draft report mailed to you, contact Cicely Henderson in the Community Development Department at 215-2180.

Questions and comments may be submitted to Linda Rust at 215-2357, lrust@knoxvilletn.gov or mailed to City of Knoxville, Community Development Department, P.O. Box 1631, Knoxville, TN 37901. All comments must be received no later than Wednesday, Sept. 25.

11. CAC Volunteer Assisted Transportation Seeks Volunteers

According to the most recent census data, over 22,000 Knoxvilleians are over the age of 65. While many senior citizens are capable and many others have family support systems, others need support to live healthy-quality lives.

With the support of volunteers, the Knoxville-Knox County Community Action

PY2018-2019 CAPER

Local governments receiving U.S. Department of Housing and Urban Development (HUD) Community Planning and Development (CPD) funds, such as Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) funds must submit annually to HUD a Consolidated Annual Performance Evaluation Report (CAPER) that covers its previous program year. The CAPER includes a description of the progress made in accomplishing the objectives of the CDBG and HOME programs, and a summary of the use of funds during the preceding program year. A 15-day public comment period is also required for public review and feedback of the draft before being submitted to HUD at the end of September.

The Draft PY2018-2019 CAPER covering activities from July 1, 2018 to June 30, 2019, can be found here [<draft PY2018-2019 CAPER>](#). The public comment period begins September 11 and ends September 25, 2019. Please forward written comments to Linda Rust, Community Development Administrator at LRust@knoxvilletn.gov or at P.O. Box 1631, Knoxville, TN 37901.

The Draft CAPER is available for viewing in the offices of the Community Development Department located on the 5th Floor of the City/County Building, 400 Main Street, Knoxville. If you would like a hard copy of the Draft CAPER, please contact Cicely Henderson at 865-215-2180.

The City of Knoxville kicked-off its consolidated planning process on July 11, 2019, with a crowd-sourcing event that asked people visiting and working in the City County Building to share their opinion on what “Knoxville Needs...” The consolidated planning process serves as the framework for a community-wide dialogue to identify housing and community development priorities that align and focus funding from the US Department of Housing and Urban Development (HUD)’s Community Planning and Development (CPD) formula block grant programs: Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, and Emergency Solutions Grants (ESG) Program.

The Consolidated Plan is a strategic plan designed to help local jurisdictions, like the City of Knoxville, to assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions. Engaging the public as well as other community partners, will inform the City’s Five Year (2020-2024) Consolidated Plan, due to HUD in May 2020.

The Consolidated Plan is carried out through Annual Action Plans, which provide a concise summary of the actions, activities, and the specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified by the Consolidated Plan. The City of Knoxville’s Year One (2020-2021) Annual Action Plan process will be held congruently with its Consolidated Plan process.

Knoxville residents will have several opportunities to be engaged in the consolidated/annual action planning process, including:

- Participating in an online survey at www.surveymonkey.com/r/2020CPlan to help prioritize the community’s need for affordable housing and services for homeless people, veterans, single mothers and other low- and moderate-income people. Survey questions are

informed by HUD's national priorities and eligible activities. Responses are anonymous and will be reported in group form only.

- Attending public meetings where they can ask questions and take the survey during a presentation moderated by Community Development staff members. Residents are invited to attend one or more of these public meetings:

5:30 – 7:00 p.m. Wednesday, Sept. 25 - O'Connor Senior Center

10:30 a.m. – 12:00 p.m. Thursday, Sept. 26 - O'Connor Senior Center

All public meetings are posted on the City's website at KnoxvilleTN.gov/Development and on the City's Facebook page at [Facebook.com/CityofKnoxville](https://www.facebook.com/CityofKnoxville).

Anyone needing a disability accommodation to attend one of the meetings listed above should contact Stephanie Cook at scook@knoxvilletn.gov or 865-215-2034 at least 10 days in advance. Contact Knoxville's Title VI coordinator, Tatia Harris, for an English interpreter at 865-215-2831.

The Five-Year Consolidated Plan will develop on the following timeline:

- July - Sept. 2019: Gather information
- Oct. - Nov. 2019: Analyze and organize responses
- Jan. 2020: Hold a public meeting to report findings
- March - April 2020: Release the draft Five-Year Consolidated Plan/Year - One Annual Action Plan for public comment
- May 2020: Submit plans to HUD

COMMUNITY DEVELOPMENT DEPARTMENT PROVIDES:

- * Programs to improve housing opportunities for lower-income homeowners, tenants and home buyers as well as assistance to organizations serving Knoxville's homeless population.
- * A Fair Housing Program to promote equal opportunity in housing in Knoxville.
- * Activities that identify vacant, blighted or problem properties and seek developers to return them to productive use.
- * Support for programs that assist neighborhoods in identifying and solving their own problems
- * Support for programs that provide training and employment to lower-income citizens or to assist lower-income citizens in starting small businesses.

REVITALIZATION PROJECTS:

- * Five Points Commercial Development
- * Lonsdale Redevelopment
- * Vestal Redevelopment

ENERGY STAR:

Energy Star Partner - The City of Knoxville is a proud partner of ENERGY STAR. The

Community Development Department's Owner Occupied Housing Rehabilitation Program has built thirteen (13) Energy Star homes and plan on building more Energy Star-certified homes. ENERGY STAR qualified products and practices help you save money and reduce greenhouse gas emissions by meeting strict energy efficiency guidelines set by the U.S. EPA and U.S. DOE. The ENERGY STAR label also designates superior energy performance in homes and buildings. More information is available on the ENERGY STAR website at www.energystar.gov.

Indicate the efforts made to direct the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs, to the greatest extent feasible, toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. (Check all that apply.)

- Attempted to recruit low-income residents through: local advertising media, signs prominently displayed at the project site, contracts with the community organizations and public or private agencies operating within the metropolitan area (or nonmetropolitan county) in which the Section 3 covered program or project is located, or similar methods.
- Participated in a HUD program or other program which promotes the training or employment of Section 3 residents.
- Participated in a HUD program or other program which promotes the award of contracts to business concerns which meet the definition of Section 3 business concerns.
- Coordinated with Youthbuild Programs administered in the metropolitan area in which the Section 3 covered project is located.
- Other; describe below.

Public reporting for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, mandates that the Department ensures that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low- and very-low income persons, particularly those who are recipients of government assistance housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as self-monitoring tool. The data is entered into a database and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Privacy Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

Form HUD-60002, Section 3 Summary Report, Economic Opportunities for Low- and Very Low-Income Persons.

Instructions: This form is to be used to report annual accomplishments regarding employment and other economic opportunities provided to low- and very low-income persons under Section 3 of the Housing and Urban Development Act of 1968. The Section 3 regulations apply to any **public and Indian housing programs** that receive: (1) development assistance pursuant to Section 5 of the U.S. Housing Act of 1937; (2) operating assistance pursuant to Section 9 of the U.S. Housing Act of 1937; or (3) modernization grants pursuant to Section 14 of the U.S. Housing Act of 1937 and to **recipients of housing and community development assistance in excess of \$200,000** expended for: (1) housing rehabilitation (including reduction and abatement of lead-based paint hazards); (2) housing construction; or (3) other public construction projects; and to **contracts and subcontracts in excess of \$100,000** awarded in connection with the Section-3-covered activity.

Form HUD-60002 has three parts, which are to be completed for all programs covered by Section 3. Part I relates to **employment and training**. The recipient has the option to determine numerical employment/training goals either on the basis of the number of hours worked by new hires (columns B, D, E and F). Part II of the form relates to **contracting**, and Part III summarizes recipients' **efforts** to comply with Section 3.

Recipients or contractors subject to Section 3 requirements must maintain appropriate documentation to establish that HUD financial assistance for housing and community development programs were directed toward low- and very low-income persons.* A recipient of Section 3 covered assistance shall submit one copy of this report to HUD Headquarters, Office of Fair Housing and Equal Opportunity. Where the program providing assistance requires an annual performance report, this Section 3 report is to be submitted at the same time the program performance report is submitted. Where an annual performance report is not required, this Section 3 report is to be submitted by January 10 and, if the project ends before December 31, within 10 days of project completion. **Only Prime Recipients are required to report to HUD. The report must include accomplishments of all recipients and their Section 3 covered contractors and subcontractors.**

HUD Field Office: Enter the Field Office name .

1. Recipient: Enter the name and address of the recipient submitting this report.
2. Federal Identification: Enter the number that appears on the award form (with dashes). The award may be a grant, cooperative agreement or contract.
3. Dollar Amount of Award: Enter the dollar amount, rounded to the nearest dollar, received by the recipient.
- 4 & 5. Contact Person/Phone: Enter the name and telephone number of the person with knowledge of the award and the recipient's implementation of Section 3.

The Secretary may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of the Secretary's findings such that variations are necessary because of prevailing levels of construction costs or unusually high- or low-income families. **Very low-income persons** mean low-income families (including single persons) whose incomes do not exceed 50 percent of the median family income area, as determined by the Secretary with adjustments or smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.
