

# Best Management Practices (BMP) Manual

CITY OF KNOXVILLE

## January 2018 City of Knoxville Engineering Department Stormwater Engineering Division

---

Note 1: People are encouraged to use this website to obtain the entire BMP Manual or particular portions that they may be interested in. Check often for updates and revisions. The BMP Manual is also available on CD-ROM (when supplies are available) at the Engineering Technical Services Counter, Room 462 of the City County Building.

Note 2: The various portions of the BMP Manual are in Adobe Reader file format (as signified by \*.pdf filenames). The Adobe files can be viewed on screen or printed using the free software called [Adobe Reader](#).

Note 3: If you are downloading Adobe files, be sure to edit the settings or preferences in your web browser (such as Netscape or Internet Explorer) that allow you to view files with PDF extension using Adobe Reader. It is also recommended that you choose a browser setting that views PDF files in a separate window, and that you choose a browser setting which supplies a decision prompt prior to downloading or saving.

Note 4: Please contact the Stormwater Engineering Division, Room 480 in the City County Building, with written comments or suggestions. Be specific concerning the page number and location. E-mail comments to [bedalton@knoxvilletn.gov](mailto:bedalton@knoxvilletn.gov).

Note 5: The entire BMP Manual can be downloaded as a single PDF file with bookmarks to easily navigate document. If bookmarks are not visible in the PDF file, then choose menu item "Show Bookmarks". It is highly recommended that a user have a cable connection for the document to successfully download.
