Mineral Springs Avenue Bridge Replacement Project

Project Description: This project will construct a new bridge on Mineral Springs Avenue over First Creek. Related additional work includes a new sidewalk connection from N Broadway to Walker Boulevard along Mineral Springs Avenue. This new bridge was sized based on recommendations in the First Creek Watershed Stormwater Management Master Plan prepared by ARCADIS in 2009.

Schedule:
Bid Opening: June 25, 2019
Notice to Proceed: July 6, 2020
Contract Completion Date: July 5, 2021

Current Contract Price: $1,188,554

Engineering Department March 2021 Status: Mineral Springs Avenue was closed to through traffic on June 9, 2020 and all traffic is being detoured to Walker Boulevard. The retaining wall, concrete swale and abutment #1 and abutment #2 have been poured. The storm sewer system has been installed. The bridge beams have been set and metal decking installed.
