

2020 Resurfacing – Phase I and Phase II Projects

Project Description: This is the City's annual resurfacing program. In order to solicit more competitive bids, a decision was made to advertise the 2020 Resurfacing Program as two separate, smaller projects. The bids received on these projects support that decision. Phase I includes approximately 23.4 equivalent miles of resurfacing within Council Districts 1, 2 & 6. Approximately 3.2 additional equivalent miles have been included in Phase I for KUB for resurfacing streets that were damaged through utility cuts. Phase II includes approximately 14.0 equivalent miles of resurfacing in Council Districts 3, 4, and 5. Approximately 2.8 additional equivalent miles have been included in Phase II for KUB for resurfacing streets that were damaged through utility cuts. Phase I and Phase II together include approximately 37.4 equivalent miles of resurfacing throughout the City. Phase I and Phase II together include approximately 6.0 additional equivalent miles for KUB for resurfacing streets that were damaged through utility cuts.
