Published by the City of Knoxville's Office of Neighborhoods to report news important to Knoxville's residential neighborhoods. News & calendar deadline: 5 p.m. Mondays.

1. Mechanicsville to Celebrate Homecoming Saturday

The **Mechanicsville Community Association (MCA)** on Saturday will stage its tenth annual Mechanicsville Homecoming at Danny Mayfield Park, and everyone is invited to attend and participate.

The day begins with a parade that starts at 10 a.m. from the corner of University and Fifth Avenue and then proceeds down University to the park. Beginning at 11 a.m., the opening program includes remarks by various community leaders, including Mayor Madeline Rogero and former Mayor and Sixth District City Council Member Daniel Brown.

The event features information booths, food vendors, door prizes, MCA community service awards, a kids' carnival, contests for both teens and adults, and recognition of students who won creative writing awards at Maynard Elementary School.

Entertainment for this event runs the gamut. A gospel concert from 12:30 p.m. until 2:30 p.m. includes choirs from Rogers Memorial Baptist Church and Eternal Life Harvest Center, as well as Kelle Jolly, who is perhaps more widely known for her jazz renditions. There will be several youth dance performances from 2:45 p.m. to 4 p.m., followed by various musicians singing gospel, jazz and R&B from 4 p.m. until 8 p.m., when the event ends.

2. Alice Bell Spring Hill Meeting to Focus on East Towne

The **Alice Bell Spring Hill Neighborhood Association (ABSHNA)** is inviting anyone interested in the future of the East Towne area to attend the organization's regular monthly meeting at 7 p.m. Monday, Sept. 21, at Alice Bell Baptist Church, 3305 Alice Bell Road.

Officials from the Tennessee Department of Transportation (TDOT) will present plans for possible roadway improvements in the area, including but not limited to those

serving Knoxville Center Mall. Also on the agenda: partnering with the city and county on the cleanup of underbrush and overgrowth. Various public officials have been invited to attend.

3. Old North Schedules Cleanup of First Creek, Greenway

All creek lovers and greenway users are invited to participate in a cleanup of First Creek and the First Creek Greenway on Saturday morning, Sept. 26, from 9 a.m. until noon. The annual event is sponsored by [Old North Knoxville](#) (ONK).

Participants will help remove trash from open, grassy areas of the greenway, wooded side areas, and in the waters of First Creek. But you must wear hip waders to enter the creek.

Volunteers of all ages and abilities are welcome. Come for the entire morning or just an hour. ONK will provide cold water and snacks. [Keep Knoxville Beautiful](#) will provide trash bags and other supplies, and additional supplies are provided by the City of Knoxville and by a grant from [Tennessee Wildlife Resources Agency](#).

Participants will meet in the parking lot at Sixth Avenue and Cottage Place to register and get assignments. The primary target area is Glenwood to Grainger, but with enough volunteers the cleanup will continue through to Broadway.

“ONK has been cleaning the creek for 15 years now,” noted the chief organizer and ONK Beautification Chair, Beth Booker. “It’s great for the environment --- and fun as well.” For more information, contact Beth at 524-8515.

4. Cumberland Estates Adds Dogs to Annual Chili Fest

Neighbors in Cumberland Estates are well known for cooking pots of all kinds of chili for the neighborhood’s annual chili fest, but this year the fest will include hotdogs as well.

This year’s Chili-Dog Fest will run from 5:30 p.m. until 7:30 p.m. on Thursday, October 1, and all are invited to participate. Bring a side dish to share. For more, contact Anna Compton at 599-0724 or amcompto@gmail.com.

5. Community to Meet on Talahi Park Restoration

The [Kingston Pike - Sequoyah Hills Association](#) will hold a community meeting at 6:30 p.m. on Monday, October 5, 2015, at Sequoyah Hills Presbyterian Church, 3700 Keowee Avenue, to discuss the proposed second phase of the Talahi Park Restoration Project.

Talahi Park --- located at about the midpoint of Cherokee Blvd. --- contains Panther Fountain and Sunhouse Fountain, the only two historic city-owned fountains in Knoxville. The Phase II project will complete the restoration of the park, including the restoration and repair of the fountains and the original gravel footpath through the park mall area, as well as the implementation of a master landscape plan.

6. Students to Offer Energy Saving Tips in Morningside

An effort to help Knoxville citizens save on their utility bills begins this week in the Morningside neighborhood.

From today through Tuesday, Sept. 22, teams of students will visit approximately 100 homes in the neighborhood around Morningside Park to share energy efficiency tips and to offer residents a new LED light bulb for their front porch.

The students are enrolled in a Career Readiness Program sponsored by a nonprofit organization named SEED ([Socially Equal Energy Efficient Development](#)).

All residents are invited to attend a free “Savings in the House” workshop to learn more about how to stop wasting energy and take control of utility bills. The workshop will be held from 6:30 p.m. to 7:30 p.m. Thursday, Sept. 24, at the Morningside Community Center, 1617 Dandridge Ave.

“Savings in the House” is a project of the Smarter Cities Partnership, which is led by the City of Knoxville. Funding for this outreach activity was provided by Partners for Places – a project of the Funders’ Network for Smart Growth and Livable Communities.

For more information about this outreach event, contact Stan Johnson, SEED’s Executive Director, at (865) 766-5185. For energy saving ideas, visit www.savingsinthehouse.com.

7. Public Meeting to Focus on Sevier Bike Lanes

The City of Knoxville will hold a public meeting at 5:30 p.m. Tuesday, Sept. 22, at South Knoxville Elementary School, 801 Sevier Ave., to discuss proposed design plans for bike lanes on Sevier Avenue in South Knoxville.

Proposed improvements would eliminate the center turn lane and upgrade the roadway to include one vehicular lane in each direction with two 5-foot-wide bike lanes along a 0.8-mile stretch of Sevier Avenue from the Gay Street Bridge to Anita Drive in the Old Sevier neighborhood. The City’s Alternative Transportation Coordinator, Jon Livengood, will present the proposed restriping plan at the meeting.

With the added lanes for bicyclists, Sevier Avenue would fully function as a “complete street,” accommodating all modes of transportation. Future streetscape improvements will provide safer walkable and bikeable streets along the South Waterfront’s commercial spine connecting South Knoxville to downtown.

This stretch of Sevier Avenue also was one of 11 streets prioritized by citizens at a May 21, 2014, public meeting when asked where they wanted bike lanes added. Last spring, City officials presented a finalized [Bicycle Facilities Plan](#) that recommended ways to create better, safer connections for bicycle riders, and the plan detailed and prioritized dozens of projects.

8. Attend the Family Safety & Preparedness Fair

Do you and your family feel prepared for a disaster or other major emergency? Have you always wondered what the inside of a fire engine or ambulance looks like? Do you want to learn about canning food and what food to buy that will last in case of an emergency?

You can learn all of this and more at the Family Safety & Preparedness Fair on Saturday, September 26, from 9 a.m. to 2 p.m., at the World's Fair Park.

The fair will include 60 booths with information, demonstrations, and resources to help you and your family learn how to prepare for a disaster. Booths will include the Office of Neighborhoods, KPD, KFD, Red Cross, Knox County Health Department, and groups with canning and cooking demonstrations.

Other features include activities for children, food trucks, and free goodies. More information can be found at <http://prepfair.org/>.

9. East Moody Property on Next Week's BBB Agenda

The property at 338 East Moody Avenue is on the agenda for a possible determination of blight by the Better Building Board (BBB) at 3:30 p.m. Thursday, Sept. 24, in the Small Assembly Room of the City County Building.

Under the city's Chronic Problem Properties ordinance, a property first determined and then later certified by the BBB to be blighted can eventually be acquired by the City, using its eminent domain powers, if the owner fails to take corrective action.

Blighted properties acquired by the city are listed for sale through Community Development's Homemaker's Program. See: http://knoxvilletn.gov/government/city_departments_offices/community_development/homemaker_program/

A full copy of the BBB agenda, with details and owner information on each property, can be found at http://knoxvilletn.gov/government/boards_commissions on the Friday prior to the BBB meeting.

10. Testify on Blighted Properties at Meeting Next Week

Sixteen properties are on the agenda for the City's next Public Officer Hearing at 9:30 a.m. Friday, Sept. 25.

The Public Officer --- David Brace, director of the Public Service Department --- will hear testimony on buildings that inspectors contend are in violation of the city's building codes. Testimony can also be made by the property owners, neighbors, neighborhood groups, and other stakeholders, such as lien holders.

The Public Officer then decides whether to issue an order requiring that the violations be addressed within a certain period of time. Failure by the owner to cure the problem may result in the boarding or demolition of a structure, or the cleanup of a dirty or overgrown lot, with costs billed to the owner. A property owner may appeal the Public Officer's decision to the Better Building Board and, ultimately, to Chancery Court.

The properties to be heard for repair/demolition orders are: 812 Atlantic Ave., 1619 Brown Ave., 1008 Dinwiddie St., 1640 Dunbar St., 1809 Fay St., 2510 East Fifth Ave., 7917 Hayden Dr., 3121 Johnston St., 4253 Kingston Pike, 1519 Lorraine St., 2410 McCroskey Ave., 1228 Murray Dr., 4700 Plum St., 2319 Sutherland Ave. (commercial), 4601 Tanglewood Rd. (trailer only), and 2444 Washington Ave.

If any of these properties are in your neighborhood, then you or a representative of your organization may wish to attend the meeting to submit testimony about the impact of the property on the neighborhood.

The full September 25 agenda, with details on each property, can be found by Friday at http://www.knoxvilletn.gov/UserFile/Servers/Server_109478/File/Boards/betterbuilding/agenda_poh.pdf.

11. Game Changers Seeks Male Mentors

Game Changers, a YWCA program, works with young men to teach them about domestic violence, dating violence, sexual assault, stalking, and how to prevent violence against women and girls.

Organizers are looking for adult male mentors to work with middle-school-aged boys enrolled in the program. Experience is not necessary but is helpful. A commitment of at least six months is requested to participate in the five-hour training class to be held this fall.

Game Changers is funded through a grant from the Office on Violence Against Women, U. S. Department of Justice. For more, contact Hannah Brinson at 523-6126 or hbrinson@ywcaknox.com.
