Published by the City of Knoxville's Office of Neighborhoods to report news important to Knoxville's residential neighborhoods. News & calendar deadline: 9 a.m. Tuesdays.

1. Changes Ahead for This Newsletter

The Knoxville Neighborhood Advisory has been published by the City of Knoxville's Office of Neighborhoods in the same format and emailed in the same way since Sept. 12, 2008, but all of that is about to change.

As of June 21, we will begin using an online email service, [MailChimp](#), to email this newsletter to our 1,300+ email subscribers. This will improve chances that email servers do not mistake our weekly emails for spam and also help us better serve those who want to be added to or taken off the list.

In order to continue receiving this Advisory, every person receiving this email will be asked to fill out a brief subscription form on a secure website. Many businesses and nonprofits now use MailChimp and similar services.

In addition, the format of this newsletter will change slightly, and at some point we hope to be able to add pictures and graphics when there is time to do so. Subscribers will be able to elect whether to receive the newsletter in HTML or plain text format. Moreover, expect major changes in the Neighborhood and Government Calendar.

Here is the schedule over the next month.

May 31 – Regular newsletter, with instructions on how to re-subscribe via MailChimp.

June 7 and June 14 – No newsletter...but we will send out reminders to those who have not re-subscribed by these dates.

June 21 – The Advisory will resume “almost weekly” publication...and will be sent only to those individuals and groups who have re-subscribed using our form.

2. Voice Your Views on City's Proposed Speeding Program

The public comment period on the city's proposed Neighborhood Traffic Safety Program (NTSP) ends one week from today --- Tuesday, May 31.

NTSP is a comprehensive approach to concerns about speeding on neighborhood streets. The program will incorporate the Knoxville Police Department's existing

program for enhanced speed enforcement; introduce a new, neighborhood-guided, city-supported education program; and deploy traffic calming measures on streets that qualify for such measures.

Traffic calming measures include physical devices, including but not limited to speed humps and traffic circles, as well as roadway modifications.

See the 25-page [Program Guide](#), which includes the [Program Flow Chart](#).

Even if you were unable to attend one of the public meetings earlier this month, there are still opportunities to provide your comments and suggestions.

After reading the Guide, please take [this online survey](#). Those without Internet access may obtain hard copies of the Program Guide and the survey by calling David Massey in the Office of Neighborhoods at 215-3232.

Comments about the draft plan may also be mailed to traffic.calming@knoxvilletn.gov or to Steve King, Deputy Director of Engineering, City of Knoxville, 1400 Loraine Street, Knoxville TN 37921.

In June, City staff will review the public comments and consider changes and additions to the draft program. A launch date is tentatively anticipated during the month of July. The City will not accept applications for a neighborhood traffic safety study until the program is officially launched. Updates can be checked on [this web page](#).

3. Fountain City Day to Honor Veterans, Volunteers

“Fountain City: A Community of Volunteers” is the theme for this year’s [Honor Fountain City Day](#), which will be held from 10 a.m. until 4 p.m. on Monday, May 30 --- Memorial Day.

Free activities for children include face-painting and games with prizes. Upland Birds of Prey will have an exhibit. The UT Entomology Department will bring its Traveling Insect Zoo. Fountain City Art Center has provided several door prizes. The Joyful Twirlers will perform.

Food for sale will be provided by the Fountain City Art Center and Church of the Good Shepherd. **Fountain City Town Hall** (FCTH), the sponsor of this event, will sell desserts, drinks and t-shirts.

At 3 p.m., local historian Dr. Jim Tumblin will be the guest speaker at the community awards ceremony, where FCTH will present awards for the Fountain City Woman of the Year and Fountain City Man of the Year. This will be followed at 3:30 p.m. by a Veterans Memorial Service with speeches by U.S. Congressman John J. Duncan, Jr., and WBIR-TV Anchor John Becker.

The event will also feature crafts vendors, exhibitors, and a silent auction. Both the Art Center and Parkside Gallery will be open.

4. Here is City's Memorial Day Schedule

City of Knoxville offices will be closed Monday, May 30, for the Memorial Day Holiday. However, Waste Connections, the city's residential garbage and recycling contractor, WILL run regular routes that day.

The city's trash and recycling services will operate on regular schedule throughout the Memorial Day weekend. But the City's Solid Waste Management Facility located at 1033 Elm Street will be closed from Saturday, May 28, through Monday, May 30.

The City's recycling centers will be open for recycling use, but the Goodwill attendant will not be available on May 30 to accept donations of household goods donations. [See this web page](#) for details on the City's solid waste programs.

Also on Memorial Day, Knoxville Area Transit (KAT) runs a Saturday schedule with no trolley service, and the Customer Service Counter and Administrative Offices will be closed.

5. Better Building Board Meets Thursday

Three properties are on the agenda for this week's Better Building Board (BBB) meeting at 3:30 p.m. Thursday, May 26, in the Small Assembly Room of the City County Building.

Neighbors affected by these properties may wish to be present to testify on their impact on the neighborhood.

The property at 2100 Washington Avenue is on the agenda for a decision on 1) whether the owner has failed to commence repairs as ordered in a previously issued Notice of Violation and 2) whether the property meets the criteria for a determination of Demolition by Neglect as outlined in a city ordinance by that name.

Under the ordinance, an owner who fails to take corrective action on a seriously dilapidated, historic structure is, in effect, "demolishing" the structure by neglecting it. If the BBB determines the structure meets the criteria, then the city can spend funds to stabilize the structure and charge the owner for that expense.

The property at 922 Vermont Avenue is on the agenda for appeal of an order by the Public Officer. A third property at 3740 Speedway Circle is on the agenda for Certification of Blight.

Under the city's Chronic Problem Properties ordinance, a property first determined and then later certified by the BBB to be blighted can eventually be acquired by the City, using its eminent domain powers, if the owner fails to take corrective action.

Blighted properties acquired by the city are listed for sale through Community Development's Homemaker's Program. See: http://knoxvilletn.gov/government/city_departments_offices/community_development/homemaker_program/.

For a full copy of the May BBB agenda, with details and owner information on each property, visit http://knoxvilletn.gov/government/boards_commissions and click on the Better Building Board.

6. Testify on Blighted Properties at Meeting Friday

Twelve properties are on the agenda for the City's next Public Officer Hearing, which will be held at 9:30 a.m. AND 3:30 p.m. on Friday, May 27.

The Public Officer --- Public Works Director David Brace --- will hear testimony on buildings that inspectors contend are in violation of the city's building codes. Testimony can also be made by the property owners, neighbors, neighborhood groups, and other stakeholders, such as lien holders.

The Public Officer then decides whether to issue an order requiring that the violations be addressed within a certain period of time. Failure by the owner to cure the problem may result in the boarding or demolition of a structure, or the cleanup of a dirty or overgrown lot, with costs billed to the owner. A property owner may appeal the Public Officer's decision to the Better Building Board and, ultimately, to Chancery Court.

The properties to be heard for repair/demolition orders at the 9:30 a.m. hearing are: 403 Avenue B, 4305 Bounds Road, 3512 Cherry Hill Avenue, 1907 Laurans Avenue, 1704 Massachusetts Avenue, 1100 Pineola Lane, 1846 Prospect Place, and 5133 Sevierville Pike (accessory apartment only).

At the same time, several properties will be considered for confirmation of previously issued emergency repair/demolition orders. These are 2006 East Fifth Avenue (accessory structure only), 4500 Holston Drive (commercial), and 4502 Holston Drive (commercial).

Then at 3:30 Friday, in a special called Public Officer Hearing, a number of structures at Knoxville College on both Knoxville College Drive and Reynolds Street will be considered for repair or demolition orders.

If any of these properties are in your neighborhood, you or a representative of your organization may wish to attend the meeting to submit testimony about the impact of the property on the neighborhood.

The full May 27 agenda, with details on each property, can be found [here](#) on the city website.
