**Lakenya or Jered**  
**Racial Profiling Report**  
**3<sup>rd</sup> Quarter**  
**(July 1<sup>st</sup> – September 30<sup>th</sup>)**

---

There was one alleged racial profiling PARC case reviewed by the Committee during the 3<sup>rd</sup> Quarter.

**Case #1 Summary:**

The complainant contacted the PARC office on September 6<sup>th</sup>, 2017, in reference to a situation involving a traffic stop. While traveling on Interstate 40, the complainant was stopped by an Interdiction Officer, the officer asked a series of questions directed to drug activity and possession of illegal substances. The complainant was informed that the Interdiction Officer surveys for vehicles whom might fit a description for drug trafficking. Therefore, the complainant claimed that he was racially profiled due to the type of vehicle and his race classification.

**Conclusion:**

After further review, the complaint occurred outside of PARC's jurisdiction and was referred to the Knox County Sheriff's Office ("KCSO") for investigation. The complainant was informed and his information was shared with the Office of Professional Standards, KCSO.
