

Sevier Avenue Corridor: Where Do I Park?

The restaurants, shops and breweries along Sevier Avenue are increasingly popular. Did you know there are about 175 parking spaces in the immediate area – and another 380 spaces within about a 1/3-mile walking distance?

Convenient parking – all free – can be found at Suttree Landing Park and on Waterfront Drive (80 spaces).

More than 70 additional on-street spaces are available, also free, and 25 spaces can be found on nights and weekends at South Knoxville Elementary School.

Not shown on this map:

- To the west: 320 public spaces are available in the Regal parking garage on weekdays after 6 p.m. and on weekends. Another 52 spaces on a surface lot behind the garage are available, and there are 10 spaces on Sevier near Blount Avenue.
- To the east: Roughly 50 spaces are available on Island Home Avenue gravel lots underneath the James White Parkway.
