

CITY OF KNOXVILLE
MADELINE ROGERO, MAYOR

Knoxville: Investing in a Great City

FY 2015 / 2016 PROPOSED OPERATING BUDGET

KNOXVILLE, TENNESSEE
WWW.CITYOFKNOXVILLE.ORG

**Fiscal Year 2015-2016
Proposed Annual Operating Budget
City of Knoxville, Tennessee**

Mayor
Madeline Rogero

Members of City Council

District One:	Nick Pavlis, Vice Mayor
District Two:	Duane Grieve
District Three:	Brenda Palmer
District Four:	Nick Della Volpe
District Five:	Mark Campen
District Six:	Daniel T. Brown
At-Large:	Finbarr Saunders
At-Large:	Marshall Stair
At-Large:	George C. Wallace

Deputy to the Mayor
Christi Branscom, Chief Operating Officer
William Lyons, Chief Policy Officer

A special thank you to all the departments that contributed to this document.

Executive Summary

The purpose of this section is to provide an overview of some of the major initiatives of the FY 15/16 budget. Also discussed are some of the factors that have impacted the preparation of this budget, and some of the significant changes between this budget and the prior year budget. More detailed explanations of these changes are found later in the document.

Investing in a Great City

The Fiscal Year (FY) 15/16 budget, like all budgets, serves two main functions. First, the budget serves as the legal authority for the City to spend funds. Secondly, and perhaps more importantly, the budget establishes a blueprint for future action. It is a means by which one establishes priorities and provides a mechanism for delivering on those priorities. The continued growth and improvement of a city requires both a vision and a commitment to move forward. A budget attempts to capture that vision by assigning dollars and cents to the task.

The decisions that shape this budget have a lasting impact. Good decisions result in increased investment and future positive returns while poor decisions limit future flexibility and may result in unanticipated consequences and problems. The theme of this budget is to sustain the on-going momentum and progress occurring in Knoxville.

General Overview

The budget is always constrained in the sense that demands exceed available resources. Several major factors affect the FY 15/16 budget. First, growth in property tax collections is expected to remain relatively flat. Modest gains in commercial growth are expected while residential values, personal property and public utility values are expected to be flat to negative. The low growth in property values is a significant factor in that it has a long term impact, affecting budgets several years into the future. The modest growth in property taxes is offset, in part by expected growth in the payment in lieu of taxes (PILOT) by the Knoxville Utilities Board (KUB), moderate growth in state

and local sales taxes, and growth in the state shared excise tax. Expenditures continue to grow primarily as a result of salary increases, higher health care costs, and pension contributions. This growth is offset by lower fuel costs and lower risk charges.

One principle is to work as efficiently as possible and minimize the demands upon the taxpayers. As such, the proposed property tax rate for FY 15/16 is \$2.7257 per hundred dollars of assessed value, unchanged from the prior year. The allocation of the tax rate remains the same. In FY 15/16, \$0.5334 goes to the Debt Service fund and \$2.1923 goes to the General Fund. When adjusted for the impact of inflation and countywide reappraisals, the adopted tax rate is actually lower than it was ten years ago.

The total operating budget in FY 15/16 is \$388,671,860. The net budget, i.e., excluding inter-fund transfers and charges which are effectively double counted within the budget, is \$289,593,930. The budget for the General Fund, which is the main operating fund of the city, equals \$206,376,350.

The total budget increases by \$4,059,930 (1.06%) when compared to the FY 14/15 budget. The net budget increases by \$5,143,150 (1.81%). The General Fund budget is up by \$5,873,790 (2.93%).

Budgeted personnel for FY 15/16 total 1,601 full-time positions and 31 part-time positions. This represents an increase of two full-time positions – a project manager in Redevelopment and a parking meter technician in Engineering.

A goal is to ensure that personnel are paid competitively. In order to remain current, the budget includes a salary increase of 2.5% for employees.

In addition to the salary adjustments mentioned above, the budget includes an approximate \$1.4 million increase to the pension plan. This funds the annual required contribution and enables the plan to remain actuarially sound. Total budgeted contributions to the plan are approximately \$24.8

Executive Summary

million, which represent normal contributions and the amortization of the unfunded pension liability. The budget also increases the allocation for health care benefits. Although the City's health claim experience has been better than the national trends, the costs still continue to escalate and funding is required to address those costs.

Administrative Goals

Mayor Rogero has outlined several key goals and strategies that shape and drive this budget. These goals are:

- Strong, safe neighborhoods
- Living Green and Working Green
- An energized downtown and center city
- Job creation and retention

Strong, Safe Neighborhoods

As in the past, the largest portion of the budget is devoted to the operations of the Police and Fire Departments. The budget includes \$851,500 in new capital funding for the Police Department for enhanced training facilities and investments in new equipment to help officers perform their duties.

Funding is provided for on-going maintenance at various fire stations throughout the city, and for the planning of new fire training facilities. Funding is also recommended for the purchase of mechanized CPR equipment which will assist first responders and provide improved public safety.

It is important that neighborhoods also have quality infrastructure and are free from blight. This budget provides \$300,000 to address chronic problem properties and another \$200,000 for blighted property acquisition.

Included is \$100,000 to continue the "demolition by neglect" program to protect historic properties. To further add in this effort, \$500,000 is allocated to promote historic preservation throughout the City.

The budget includes the seventh contribution of \$800,000 to assist KCDC in the rede-

velopment of the Walter P. Taylor homes project in the Five Points/Park City area. This is part of a multi-year commitment to this project.

Stronger, safer neighborhoods are more than quality police and fire protection and bricks and mortar. Strengthening the social fabric and ensuring success for families and youth are essential as well. The budget provides \$250,000 to assist Community Schools in center city neighborhoods in collaboration with the Great Schools Partnership and Knox County Schools, an increase of \$150,000 when compared to the budget for FY 14/15.

An additional capital grant of \$100,000 will go to the Boys and Girls Clubs of the Tennessee Valley to expand recreational facilities at their Caswell Avenue campus.

The city's Save Our Sons Initiative will receive \$50,000 to implement strategies to increase opportunities and reduce violence-related deaths among boys and young men of color.

The Mayor's Roundtable on Homelessness has continued to meet to implement the community's homelessness plan. In addition to federal funding, direct city funding (and agency grants) that address homelessness is budgeted at \$579,800.

Community and social service agencies provide a wide range of services that are critical to the safety and stability of families and children in our city. The budget includes \$875,000 in agency grants, including capital funding of \$250,000 for the development of a domestic violence shelter by Helen Ross McNabb Center, and \$250,000 for ADA improvements at the Knoxville Area Urban League.

The FY 15/16 budget continues to fund the Office of Neighborhoods and staff who work with neighborhood groups to help improve the quality of their neighborhoods. Included as part of this function is \$30,000 to provide resources to strengthen neighborhoods and build the capacity of neighborhood organizations to implement successful projects.

Executive Summary

Great neighborhoods also have access to parks, greenways, and recreational opportunities. They safely accommodate pedestrians, bicycles, public transit, and vehicles.

The FY 15/16 budget includes \$200,000 for ball field and tennis court improvements in parks throughout the City. The budget allots an additional \$2.1 million to fund the refurbishing of the administration building at Lakeshore Park, and \$75,000 for improvements to the Fort Dickerson Park.

Funding is also provided to enhance branding of the Urban Wilderness. The budget allocates \$1,000,000 for the development of greenway corridors.

This budget advances the city's goal of "complete streets" that provide safe facilities for pedestrians, bicyclists, and public transit.

A total of \$3.03 million, an increase of \$850,000, is allocated to sidewalks and crosswalks including \$750,000 for the sidewalk safety program, i.e., sidewalks within school parental responsibility zones; \$750,000 for new sidewalk construction; \$250,000 for ADA sidewalk enhancements; and \$80,000 for the Crosswalk Safety program. A total of \$1.15 million is appropriated to begin construction of sidewalk improvements in the I-640 at Old Broadway area.

Also funded is \$1,000,000 for bicycle infrastructure improvements to begin implementation of the Knoxville Bicycle Facilities Plan. This is an increase of \$715,000 from the prior FY.

The budget continues to provide support for KAT, Knoxville's public transit system, in the amount of \$10.25 million in direct city support and grant match funding to operate buses, trolleys and para-transit service across the city. Included within this allocation is funding for year one of KAT's service improvement plan which expands the hours of operation.

The City has an on-going program to pave and maintain streets on a regular basis. Our schedule seeks to pave arterial streets at least once every ten years, collector streets

every fifteen years and residential streets at least once every twenty years. To maintain this schedule the budget includes \$5.8 million in direct city funding and an estimated \$1,000,000 from KUB for the City's paving program. The budget also includes \$200,000 for alley-paving and \$250,000 for roadway safety.

The budget continues annual funding for the bridge replacement program. Funding of \$250,000 is specifically designated for continued improvements to traffic signals, and \$20,000 is budgeted for traffic calming projects.

Living Green and Working Green

The Mayor is committed to making Knoxville a more environmentally friendly city. The budget funds the Office of Sustainability. This office guides our comprehensive sustainability efforts across all city departments and activities. The total budget for this Office is \$290,230. Included within this budget is funding for the continuation of electric vehicle charging stations in public facilities.

The budget again funds \$500,000 for match grants for an advanced traffic management system (ATMS). When implemented the new system should enhance traffic flow and again result in lower fuel consumption and pollution.

The value of sustainability is considered in all areas of the City. It is incorporated into the acquisition of new vehicles and new construction, engineering design, as well as energy consumption. This focus helps in the evaluation of projects from a sustainability view and return on investment as well.

An Energized Downtown and Center City

Downtown is "everybody's neighborhood" as it is the cultural and economic hub of our city and region. The budget allocates \$50,000 for the Downtown Improvements fund, and \$150,000 for streetscape improvements along South Central Avenue. Also, \$150,000 is programed for a Jackson Avenue master developer.

Executive Summary

The downtown revitalization strategy includes continued reinvestment along the commercial spines that extend from downtown - north, south, east, and west. Allocations for the FY 15/16 budget include \$500,000 for commercial façade improvements and \$500,000 to begin implementation of the Magnolia Avenue Streetscapes project once final design plans are completed.

Final design plans will begin with a four block area, which will become a model for the Magnolia Corridor – making it more pedestrian friendly with trees, lighting and other amenities. The public investment in the Magnolia Warehouse District and Corridor will spur private investment.

Job Creation and Retention

Job and business development is a goal of this administration. The adopted budget includes \$400,000 for the Innovation Valley regional initiative, as well as funding for the Knoxville Chamber Partnership in their economic development efforts on behalf of the city.

The budget includes \$50,000 to support the Knoxville Entrepreneur Center and \$30,000

for the Visit Knoxville Film Office to create an incentive program to attract film and TV production to Knoxville.

The budget continues the funding of the Office of Business Support and the Business Liaison whose job is to assist businesses and cut the red tape in dealing with city government.

Arts and cultural opportunities serve residents and visitors and are factors often cited in business relocations and economic development. Operating grants totaling \$375,000 are budgeted for the Knoxville Symphony, the Museum of Art, the Knoxville Opera, Beck Cultural Center, and nineteen other arts and cultural groups. The budget again funds \$250,000 to be used for public art.

Conclusion

The remainder of this budget includes additional summary material, and a more detailed discussion of revenue and expenditure trends. It is hoped that these materials will provide the reader with a more thorough understanding of the operating budget.

ADJUSTED/EQUALIZED TAX RATE

Fiscal Years 2006/07 – 2015/16

The above chart presents a ten year comparison of the actual (nominal) tax rate to the effective tax rate, that is, the tax rate after it has been adjusted for the effects of reappraisal by the Knox County Property Assessor and the impact of inflation. As can

be seen by the lower line, the effective tax rate has declined from \$2.81 in Fiscal Year 2006/07 to \$2.31 in Fiscal Year 2015/16. This means that the change in the tax rate has been less than the rate of inflation and equalization

City of Knoxville

CITY AND COUNTY PROPERTY TAX RATES

FY 96/97 - FY 15/16

Fiscal Year	City Rate	County Rate	City Combined Rate

* The Property Assessor is required by law to undertake a complete reappraisal of property at least every four years. This reappraisal was last completed in 2013. Whenever a property reappraisal occurs, cities and counties are required to adopt a "Certified Tax Rate". This is the rate that would generate the same amount of tax revenue as before reappraisal. The "Certified Tax Rate" in FY 09/10 for the City was \$2.3857 and for the County \$2.36. This rate in effect discounts the increases in value resulting from reappraisal.

Note that taxes are levied per \$100 of assessed value.

* The Property Assessor is required by law to undertake a complete reappraisal of property at least every four years. These reappraisals were completed in 1997, 2001, 2005, 2009 and 2013

Note that the assessments for each calendar year are reflected in the budget for the following year. For example the 2014 assessments are used in the FY 14/15 budget. Residential property is assessed at 25% of the appraised value. Commercial/Industrial property is assessed at 40% of the appraised value and public utility property is assessed at 55% of the appraised value. The majority of public utility property is appraised by the Tennessee Public Service Commission. Personal property is assessed at 30% of the appraised value.

City of Knoxville

GENERAL FUND REVENUES

Total General Fund budgeted revenues for FY 15/16 equal \$206,376,350. This is a 2.93% increase when compared to the budgeted FY 14/15 revenues of \$200,502,560. Operating revenue equals \$204,311,350 which is \$5,813,390 or 2.93% above the budgeted FY 14/15 operating revenue. Non-operating revenues are budgeted at \$2,065,000 for FY 15/16.

The overall revenue picture can be viewed as one of flat to relatively modest growth in most areas. The change in assessed property values is expected to be small. The more cyclical revenues such as local option sales taxes, and state shared sales taxes, have been trending upward and growth is expected to continue, while revenue from business taxes is weak and expected to decline.

TAXES

The largest single category of revenue to the General Fund is taxes. This one category equals \$176,479,400 or approximately 87.1% of the total operating revenue to this fund.

Property Taxes

The largest revenue source within this category is property taxes. Property taxes are, in turn, divided into three types: taxes on real property, taxes on personal property, and taxes on public utilities.

There are four factors that determine revenues from property taxes:

- 1) The assessed value of property;
- 2) The state equalization rate;
- 3) The collection rate on property taxes;
- 4) The tax rate itself.

Assessed Value and Equalization Rate: Historically, growth in the value of new real property in Knoxville would be considered fairly moderate, and not characterized by the boom/bust cycles of many cities. The normal annual rate of growth would fall in the 2% to 3% range, with some exceptions along the way. The mid to late 1990's and 2000's were, with the exception of reappraisal

years, characterized by this same fairly moderate growth. Growth rates following the 2005 reappraisal until the recession of 2008 and 2009 ranged between 2.05% and 4.09%. More recent years have seen a sharp decline from those numbers. In FY 10/11 the growth was only 0.73%. In FY 11/12 and FY 12/13 and FY 14/15 this improved slightly but was still only 1.5%, 1.9% and 1.3% respectively. FY13/14 being a reappraisal year shows a growth of 4.2% in total appraisals but this is price appreciation rather than new growth which was in the low 1% range. Even at this rate all the growth has been in the commercial area with residential and industrial property showing declines in valuations.

For FY 15/16 we think that the growth in assessed values will remain low and will reflect the same pattern of recent years. We expect virtually no growth in residential and industrial property. We anticipate commercial property to increase at a modest pace. At this time we are forecasting an increase of 1.69% in overall property values for the upcoming year.

Although we foresee a slight uptick in construction activity (See Figure 1 below), the forecast for property tax growth during the next few years is flat to modest growth. For FY 15/16 the forecast for real property assessments is \$4,113,845,280. The projected amounts for FY 15/16 are based upon the latest available data from the Assessor's Office.

The Property Assessor is unable to supply final estimates on the assessed value of personal property until after the adoption of the budget. Personal property tax growth rates have shown much more volatility than real property. In the past ten years the change in assessed value has been mostly negative, with a few dramatic upticks, primarily during the reappraisal cycle. In FY 13/14 the growth rate was 15.96%, the highest of the last decade, and a smaller rate of growth occurred in FY 14/15. In FY 15/16 we anticipate a return to relatively flat to small gains in assessed values. For the upcoming year we forecast the change in assessed value to be up by approximately 0.7%. As with real property, we did not have final numbers from the Property Assessor's Office until after passage of the budget. The actual tax roll was much higher than we had projected, which explains the significant increase in forecasted FY 14/15 revenues from the FY 14/15 budget.

The third set of property tax revenues comes from taxes on public utilities, which are assessed by the Division of State Assessed Properties under the Office of the State Comptroller. These values are not supplied until January or February of the subsequent year and have typically varied little unless affected by a change in the equalization rate. The FY 14/15 showed an unexpected jump in values from our early forecast, a situation we do not expect to continue in FY 15/16. This revenue is also affected by a lowering of the equalization rate from 100% to 96.34%. For this year we forecast this tax to generate \$3,592,900.

Collection Rate: In recent years, the City has collected an average of 94.9% of real property taxes, 92.9% of personal property taxes, and 98.1% of the taxes upon public utilities in the year in which they are levied. We utilize these averages in making our forecasts. The most notable recent change in these rates has been a slight increase in the collection rate for all categories of property.

Tax Rate:

In FY 15/16 the budget is based upon a total tax rate of

\$2.7257 per hundred dollars of assessed value. This is the same as the rate in FY 14/15. The tax rate is apportioned between the Debt Service Fund and the General Fund. In FY 15/16, \$0.5334 of the tax rate goes directly to the Debt Service Fund, the same as in FY 14/15. The portion of the tax rate used for General Fund purposes is \$2.1923. Combining all factors yields the budgeted revenue from property taxes as illustrated in Table 1.

In FY 15/16 current property taxes are expected to generate \$96,726,800. When compared to the FY 14/15 budget, current projected property tax revenues to the General Fund are up by \$2,039,800 (2.1%), the result of anticipated growth in value.

Tax Discounts

The City offers a one percent discount on property taxes paid before the end of October. For FY 15/16 the anticipated discount in the General Fund is \$521,810, which is \$7,570 more than the FY 14/15 budgeted amount. The greater amount is due to the small growth in overall valuations as we do not believe the percentage of individuals receiving a discount will deviate much from the current year.

This discount represents a reduction in the amount of revenues available to the General Fund. The discount allows the City to better manage cash flow, avoid the need to issue tax anticipation notes, and increase interest earnings.

Payments In Lieu Of Taxes (PILOT)

Other revenues within the tax category include the payment in lieu of taxes from the Knoxville Utilities Board (KUB) and Knoxville's Community Development Corporation (KCDC). The payment from KUB is based upon two components, one being

the estimated property value owned by KUB and the second being an average of overall revenues. In FY 15/16 the KUB PILOT payment is forecast at \$16,467,810

TABLE 1				
	Estimated Assessed Valuations	Est. Coll. Rate	Tax Rate per \$100	FY 15/16 Budgeted Revenue
Real Property	\$4,113,845,280	94.9%	\$2.19	\$85,543,100
Personal Property	372,909,100	92.9%	2.19	7,590,800
Public Utilities	<u>167,060,230</u>	98.1%	2.19	<u>3,592,900</u>
TOTAL	<u>\$4,653,814,610</u>			<u>\$96,726,800</u>

which represents an increase of \$1,263,020 or 8.3% when compared to the budget for FY 14/15. This change is based upon growth in property held by KUB, and anticipated growth in average net revenues, tempered somewhat by a reduction in the equalization rate from 100% to 96.34%. The amount from KCDC is now forecast to yield \$145,670 which is a rise of \$28,130 or 23.4%.

There are several other entities now making payments in lieu of taxes. These payments are part of the redevelopment strategy of the City. Other payments in lieu of taxes are expected to yield \$208,490. This is unchanged from budgeted FY 14/15.

Sales Taxes

The City imposes, as the result of local referenda, a 2.25% local option sales tax on all sales within the city limits. Approximately 72% of the proceeds from the tax go to the Knox County School District, with the balance flowing to the City's General Fund. The revenues from this source comprise the second largest source of revenue within the tax category. In FY 15/16, local option sales tax revenues are expected to equal \$37,859,220 or 18.5% of total General Fund operating revenues.

As shown in figure 2, growth in sales tax receipts has been steady, if not spectacular, in recent years. In FY 09/10, at the tail end of the recession, revenues from this source had dropped to \$32.654 million. They have shown improvement, with the exception of FY 12/13, in each successive year. The amounts in FY 11/12 are thought to be an outlier, artificially high due to sales related to the recovery/repair from damaging storms in the spring of 2011. We think that FY 15/16 will continue this modest upward growth trend.

We are forecasting an increase of two and a half percent (2.5%) from anticipated FY 14/15 collections.

Other Taxes

Revenues from the beer tax and mixed drink tax, have, in recent years, shown small to modest growth. In FY 15/16 we expect revenues from these two sources to be relatively flat. Mixed drink taxes are forecast to generate \$1,481,250, which is essentially unchanged from the FY 14/15 budget. Revenues from beer taxes are expected to decrease by \$112,860 or 1.5% when compared to the FY 14/15 budget. Total revenues from the beer tax are forecast at \$7,238,480. A recent change in state law shifts this tax from a price based tax to an excise based tax. As a result of this change we expect that future growth will be flat to negative.

Wholesale liquor inspection fees have also been relatively flat the past two years, but we now expect some growth during the upcoming year. Revenues from this source are expected to generate \$2,957,810 in FY 15/16. This is \$198,960 or 7.2% more than the amount budgeted in FY 14/15.

Revenue from business taxes has, unlike sales taxes, been experiencing recent weakness. Revenues from this source tailed off significantly in the latter half of FY 13/14 and continue to show weakness in FY 14/15. We currently expect to end FY 14/15 with an unfavorable variance of \$841,050 from the budgeted amount. For FY 15/16 we are projecting very small growth of one and a half percent (1.5%) over anticipated FY 14/15 collections. Projected revenue from this source in FY 15/16 is \$5,763,810, a decrease of \$755,870 when compared to the FY 14/15 budget.

Cable television franchise taxes from Comcast, AT&T, and Knology are projected to be up slightly when compared to the FY 14/15 budgeted amount. Collections in FY 14/15 are running slightly ahead of forecasts and we anticipate modest growth in the new fiscal year. These revenues are now forecast at \$1,863,350 which is \$57,240 or 3.2% more than the amount budgeted in FY 14/15.

INTERGOVERNMENTAL REVENUE

The second largest revenue category of the General Fund is intergovernmental revenue, i.e., rev-

enue that comes from another governmental unit, primarily the State of Tennessee. This category of revenue accounts for \$22,829,680 or 11.3% of total operating revenue. Overall, we expect this category of revenue to be up by \$1,192,310 or 5.5% when compared to the budget for FY 14/15.

The largest single revenue within this grouping is the state shared sales tax. Current year revenues from this source are now forecast to end above budgeted revenues for this year. We believe this upturn will continue into FY 15/16. The total estimated amount in FY 15/16 from this source is \$13,179,550. This is \$772,100 or 6.2% above the amount budgeted in FY 14/15.

The second largest revenue within the intergovernmental category is the city's portion of the Hall Income Tax, a tax on interest, dividends and S Corporation distributions. This revenue has shown extreme volatility in recent years, going from \$5 million to \$9.5 million to \$7.3 million, then to \$3.9 million and \$12.5 million and back down to \$9.2 million. We think that FY 12/13 is an extraordinary one-time gain that is unlikely to be repeated. In FY 15/16 we are expecting revenue from this source to generate \$4.9 million, which mirrors the historical average. This amount is unchanged when compared to the FY 14/15 budget.

The City also receives a number of other state-shared revenues. Revenue from alcoholic beverage tax is expected to be up when compared to FY 14/15 budget, at a total of \$177,790. Revenues from beer taxes are also expected to be up slightly from FY 14/15 at a total of \$85,790.

Revenue from the state excise tax, a tax upon the net earnings of state and national banks chartered in Tennessee, is up in FY 14/15 and the budget for FY 15/16 is based upon this continuing in FY 15/16. This tax is expected to yield \$499,690, a jump of \$252,490 when compared to the FY 14/15 budget.

Revenue from the streets and transportation tax is expected to be down in

FY 15/16. This revenue is budgeted at \$289,970 or \$71,870 less than in FY 14/15. The City's share of TVA gross receipts, on the other hand, is forecast to be up when compared to FY 14/15. The revenue from this source is now forecast at \$2,110,700, a gain of \$94,080 or 4.7% when compared to the FY 14/15 budget.

The City receives funding from the federal government to help offset the cost of several positions within the police department. This includes the payment of overtime for officers working in KCDC housing and other areas. The funding is listed as federal contribution, the total amount budgeted for FY 15/16 being \$944,910, an increase of \$118,460 when compared to the FY 14/15 budget.

The State of Tennessee has provided supplemental pay for police officers and firefighters in past years, and is listed under the category of state contribution in the tables following this narrative. The City serves as conduit to pay this supplement. The budgeted amount totals \$445,800 and is equal to planned expenditures in the Police and Fire Department budgets.

The City's Emergency Management Department is funded in part by a contribution from the U.S. government under the Federal Emergency Management Act (FEMA). The contracted amount for the upcoming year is projected to be \$136,000. Knox County partially funds the balance of the department's budget. The Knox County share is estimated at \$53,000.

OTHER REVENUE

There are four other categories of operating revenue to the General Fund, these being licenses and permits, charges for services, fines and forfeits, and miscellaneous revenue. The combined total from these sources is \$2,818,510, or 1.39%

of the total operating revenues to the General Fund. A breakdown of these revenues for FY 14/15 and FY 15/16 is shown in Table 2.

Overall, the category of "licenses and permits" is up by \$16,460 or 5.0% when compared to

TABLE 2
Other Revenue Categories

	FY 14/15 Budget	FY 14/15 Est. Actual	FY 15/16 Projected Revenues
Licenses & Permits	\$331,150	\$347,610	\$347,610
Charges for Services	1,312,490	1,326,170	1,326,170
Fines & Forfeits	586,620	512,880	503,750
Misc. Revenue	<u>427,280</u>	<u>641,020</u>	<u>640,980</u>

the budget for FY 14/15. Within this revenue category half of the accounts are expected to be up and half down when compared to the FY 14/15 budget. The largest expected improvement is from the beer privilege tax which is expected to grow by \$17,310 to \$83,180. The two accounts showing the largest expected declines are liquor by the ounce fees and background check fees. These two sources are expected to be down by \$4,090 and \$1,960 respectively.

The amount expected to come from "charges for services" is projected at \$1,326,170, which is \$13,680 or 1.0% more than the amount budgeted for FY 14/15. The gain is concentrated in a few accounts. Revenues from suit expenses relating to the collection of delinquent taxes are expected to increase by \$19,950 to \$528,970. Codes enforcement liens and related revenues are forecast to increase by \$29,270 to \$235,980. The remainder of the accounts within this category show a mixture of declines and increases that tend to offset each other.

The category of "fines and forfeits" is forecast to generate \$503,750, a decrease of \$82,870 or 14.1%. This decrease is primarily in red light camera fines which have again trended downward following a slight one year improvement resulting from a change in contract terms. This source is expected to yield \$186,650 or 62,630 less than the amount budgeted in FY 14/15. This loss is also accompanied by expected drops in county criminal court fines that are rebated from the county court, as well KPD automated information fines. These are expected to decline by \$43,550, and \$10,350 respectively.

The category entitled "miscellaneous revenue" is projected at \$640,980, which is \$213,700 more than the amount budgeted in FY 14/15. The reason for the jump is improvement in the sale and disposal of city assets. Proceeds from the sale of

surplus items, other than land, flow to the General Fund. The use of on-line auctions and other practices generate higher prices for these items and this is reflected in the higher revenue. Also shown within this category are interest earnings, projected at \$245,000. This is a decrease of \$20,600 when compared to FY 14/15. Yields on the types of investments appropriate for government are expected to remain flat until late 2016 which accounts for the drop. The remaining revenue sources within this category are expected to remain flat.

Transfers In

The revenue budgeted under transfers is the amount of revenue in excess of expenditures that is generated by the Municipal Court. Fines and costs collected by the Municipal Court have been on a downward trend for the past few years but are showing a slight improvement in FY 14/15. We think this is due to more prompt action by the State in suspending licenses for non-payment of fines as well as other collection activity by the Court. We expect revenue from this source to be up slightly in the upcoming fiscal year when compared to the FY 14/15 budget. Excess City Court fees are now forecast at \$2,183,760 or \$22,410 higher than the amount budgeted in FY 14/15.

Non-Operating Revenue

The FY 15/16 General Fund is balanced through the use of \$2,065,000 in non-operating revenue or the use of fund balance.. The City Charter requires that a reserve of at least 1% of operating expenses be budgeted. In FY 15/16 this reserve is appropriated at \$2,065,000. An appropriation of fund balance is designated to fund the budgeted reserve.

GENERAL FUND EXPENDITURES

General Fund Overview

General Fund expenditures for FY 15/16, including the reservation for contingencies, total \$206,376,350. This represents an increase of 2.93% when compared to the FY 14/15 General Fund budget of \$200,502,560. The following narrative describes the major expenditure changes by department. The purpose of this section is to provide a general overview of all expenditure categories.

TABLE 1

	FY 15/16 Proposed Budget	FY 14/15 Original Budget	Change
Personal Services	\$111,931,800	\$106,539,800	\$ 5,392,000
Supplies	5,373,370	5,090,780	282,590
Other Charges	48,351,650	48,176,790	174,860
Other Uses	40,719,530	40,695,190	24,340
Totals	<u>\$206,376,350</u>	<u>\$200,502,560</u>	<u>\$ 5,873,790</u>

Personal Services

The amount budgeted for personal services, i.e., salaries, benefits and related costs, is \$111,931,800. Overall costs for this category increase by \$5,392,000 or 5.06% when compared to the FY 14/15 budget. This is due to a 2.5% general salary increase for all non-probationary employees (\$1.9 Million), increases to cover the actuarially required pension contribution (\$1.26 Million), increased overtime funding (\$0.4 Million) and an expected increase in health care costs (\$1.78 Million). The impact on specific departmental budgets is discussed in more detail below, and in the executive summary.

Supplies

The category of "Supplies" is used to pay for such things as office and operating supplies, repair and maintenance items (chemicals, road salt, etc.), and operating equipment not provided for in the equipment replacement funds or capital budget. The budget for the supplies category increased by \$282,590 to \$5,373,370 (5.55%). The largest part of the increase was due to increased computer maintenance costs (\$199,550) resulting from new computer operations and programs coming online.

Other Charges

The category of "Other Charges" includes such expenditures as postage, professional services, equipment leases, internal service fund charges, and various miscellaneous items. The budget reflects an increase of \$174,860 to \$48,351,650 when compared to the previous fiscal year. Significant changes to the "Other Charges" category include a reduction in Fleet charges due to lower fuel costs (-\$940k), an increase in the funding upcoming elections (\$245k), an increase to cover maintenance needs at Lakeshore (\$125k), and an increase in the amount paid for fire hydrant (\$223k) charges.

Transfers

Transfers reflect the movement of financial assets among City funds. Due to their significance in the operations of the General Fund, special emphasis is given here. The majority of the transfers cover revenue shortages in various other funds. Overall budgeted transfers only increased by \$24,340 to \$40,719,530. Significant changes (\$725k) were due to increased transfer requirements associated with Tax Increment financing needs, Capital Projects, Trust & Agency fund needs and the Worlds Fair Park and Convention Center. These were partially offset by savings associated with Risk Management (\$614k).

Administration

The budget for Administration increases by \$113,910 from \$3,934,110 to \$4,048,020. Within this department "Personal Services" expenses increase by \$212,280, or 7.54%, to \$3,026,990. This is partially due to a Project Manager position being added to the Policy and Development section along with general salary increases and the associated increases pension and health care costs. The appropriation for "Supplies" costs increases slightly by \$3,110 to \$71,300.

Finance Division

The FY 15/16 budget for Finance is up by \$185,800 (4.52%) to \$4,294,760. "Personal Services" expenditures increase by \$139,320 to \$3,370,500, the result of salary, pension and

health care expense increases. "Supply" costs are consistent with the FY14/15 budget. "Other Charges" are up due to the addition of a \$50,000 appropriation for the Knoxville Entrepreneurial Center. Internal service charges decrease slightly.

Information Systems Division

The budget for the Information Systems Department increases by \$15,610 (.35%) when compared to FY 14/15 to a total of \$4,512,440. "Personal Services" grow by \$125,060, stemming from the salary increases and other related benefit hikes. The budget for "supplies" rises by \$55,290, primarily for incremental increases in computer maintenance charges. "Other Charges" is down by \$164,740 due to a reduction of internal service charges (equipment replacement charges drop by \$117,840) and the shift of \$50,000 from other charges to computer maintenance charges (Supplies).

Community Development Division

The recommended budget for Community Development is \$2,301,540, an increase of \$266,750 from the prior year. "Personal service", salary and benefit increases, account for \$75,240 of the change. "Supplies" increase slightly (\$550) to \$21,780. "Other Charges" grow by \$190,960 (13.31%) from \$1,433,910 to \$1,624,870 as a result of an additional \$150,000 in funding for Community Schools.

Public Service Division

The FY 15/16 budget for the Public Service Division is \$24,258,210, an increase of \$882,210 from FY14/15. "Personal service" costs go from \$14,354,420 to \$15,127,860 a jump of \$773,440 or 5.38%. This is due to salary, pension, benefit and overtime increases. The budget for the "Supply" category decreases by \$500 to a total \$1,306,990. "Other costs" increase by \$109,270 to \$7,823,360. This is mostly caused by anticipated mowing and landscaping costs at Suttree Land Park and Waterfront Park.

Engineering Division

The Engineering Department general fund budget is up by \$187,400 when compared to FY14/15. "Personal Services" increase by \$134,320 due to salary, benefit and pension cost increases. The appropriation for "Supplies" increases by \$77,180 due to an accounting change. The allocation for software maintenance increases by \$45,180. In prior budgets, these costs are part of the appropriation for

Knoxville/Knox County Geographic Information System (KGIS). Starting with FY/1516, each entity (KUB, Knox County, City of Knoxville) will pay for their own software maintenance licenses rather than flowing this through KGIS. The cost is the same, but the responsibility has shifted to the user.

An increase of \$20,000 for the wayfinding system maintenance and replacement program is included in the "Other Charges" category.. In addition, traffic operation maintenance safety equipment is included for \$12,000. Other charges declined by a total of \$24,100. The shift in funding from KGIS to the operating budget for software maintenance charges accounts for a decrease of \$45,180. Other charges includes \$15,000 for the Engineering Department's share of the avl charges. Internal service charges increase by approximately \$5,000.

Parks and Recreation Division

The Parks and Recreation budget for FY 15/16 grows by \$370,330 to \$7,327,420. "Personal service" expenses are up by \$129,690 as the result of salary and benefits increases. "Supply" costs increase by \$4,230 due to the shifting appropriations among accounts. "Other Charges" include one-time funding of \$100,000 for the Urban Wilderness Corridor Master Plan and one-time funding of \$60,000 for the relocation of Parks and Recreation personnel to the Lakeshore Park location, and funding of \$25,000 for the building and maintenance of trails city-wide. Internal service charges increase by approximately \$44,000.

Law

The FY15-16 Law Department budget increases by \$26,850 or 1.39% to a total of \$1,956,850. The increase in "Personal Services" of \$33,990 to \$1,379,990 is due to the salary, health care and pension expenses. There is a shift between the "Supplies" and "Other Charges" categories with the former growing by \$15,190 to \$84,190 and the latter decreasing by \$22,330. Charges for risk management, insurance" are less for this department which also accounts for the decline in the budget for "Other Charges".

Police Department

The FY 15/16 budget for the Police Department is \$56,723,800, an increase of \$401,560 or .71%, over FY 14/15. "Personal Services" grow by \$1,688,140 for salary and benefit costs. The "Supplies" budget increases by \$112,530 and is

primarily attributed to increase in computer maintenance charges. "Other Charges" declines by \$1,399,110, chiefly due to a reduction of \$1,356,630 in internal service charges (mostly fuel related fleet service charges). Conversely, repair and maintenance charges drop (\$60,100) because of the shift of computer maintenance charges to the "Supplies" category. The budget also includes \$58,300 for the CAD work order system.

Emergency Management Division

The FY 15/16 budget for Emergency Management decreases by \$7,230 to \$357,700. The change in the budget is primarily due to a decrease in the "Personal Services" category. Within this category there is reduction in pension costs. This reduction occurs when an employee signs for the Delayed Retirement Option Plan (DROP). When this occurs, contributions to the pension plan on behalf of the employee cease. For FY 15/16 this translates into a reduction of \$11,340 allocated to pension benefits.

Fire

The FY 15/16 budget for the Fire Department is \$43,130,920 which is an increase of \$3,154,480 or 7.89% when compared to the FY 14/15 budget. "Personal Services" increases by \$2,046,300 to \$30,375,400 due to salary changes, and higher pension contributions and health care costs.

"Supplies" increase from \$880,080 to \$897,270, a total of \$17,190. The "Other Expenses" category grows by \$1,090,990 to \$11,858,250, due to higher risk management, equipment lease and fleet service charges.

Legislative

The Legislative budget increases by \$20,430 from \$955,200 to \$975,630. This increase is due to the 2.5% salary increase and related benefit increases. The supplies and other expenses categories have only minor changes.

Civil Service

The Civil Service budget for FY 15/16 increases by \$20,960 to \$1,102,340. "Personal Services" costs increase by \$18,240 (2.22%) and relate to the proposed salary change and higher pension and health care costs. "Supplies" costs decrease slightly by \$3,700. Conversely, other charges increase by \$6,420. Internal service charges rise by \$2,720, and the balance of the change

(\$3,700) is shifted from the "Supplies" category for the funding of professional services.

City Elections Division

Pursuant to state law, all elections are managed by the Knox County Election Commission. The Commission bills the City for its proportionate share of any primary or general elections. The budget increases by \$245,000 for a total of \$255,000 for FY 15/16. This is the estimated cost of the two councilmanic and mayoral elections in FY 15/16.

Mass Transit Grant Match

The allocation for Mass Transit Grant Match for FY 15/16 declines by \$18,620 from \$717,960 to \$699,340. This appropriation funds the match the various transit grants, such as the formula (5307) allocation, Surface Transportation Program (STP) grants and Congestion Mitigation Air Quality (CMAQ) grants. KAT is, temporarily, ineligible for STP and CMAQ grants which accounts for the overall reduction in funding.

OTHER FUNDS

State Street Aid (Fund 201)

The State Street Aid budget is up by \$80,300 to \$4,653,900. The allocation for street lighting charges grows by \$185,900. Within this fund, \$483,000 is allocated to transfers for capital transportation related improvements. This represents a decrease of \$105,600 in State Street Aid funded capital when compared to FY 14/15.

Abandoned Vehicles (Fund 209)

The FY 15/16 budget for the Abandoned Vehicles Fund totals \$902,780, an increase of \$23,520. "Personal Services" grows by \$7,920. The "Supplies" budget remains constant, and the "Other Charges" category decreases by \$42,200. This is a combination of a decrease in professional services cost of \$66,100 and an increase of approximately \$23,800 for fleet charges. The 15/16 budget also includes an allocation of \$59,800 for capital funding.

City Court (Fund 213)

The total budget for City Court is \$3,237,530, representing growth of \$69,680. The appropriation for "Personal Services" is up by \$39,390. The budget for supplies increases by \$4,760 and the category of Other Charges drops rises by \$3,120. The balance of the budget is the transfer of fees collected in excess of operating

court costs (\$2,183,760) to the General Fund, which is an increase of \$22,410 when compared to the budgeted amount in FY 14/15.

City Inspections (Fund 216)

The City Inspections Fund budget is up by \$29,550 to \$2,563,780 when compared to the FY 14/15 budget. "Personal Service" costs grow by \$20,200 to fund the salary change, higher pension and benefit charges. "Supply" costs remain constant at \$41,160. "Operating Charges" increase by \$9,350. The General Fund support for Inspections increases by \$18,020 to \$840,470 in FY 15/16.

Stormwater (Fund 220)

The budget for FY 15/16 drops by \$11,980 to \$3,255,920. "Personal Service" costs increase by \$149,400. The budget for "Supplies" remains unchanged at \$82,390. The allocation for "Other Charges" decreases \$161,380, primarily due to the elimination of one time funding of \$174,500 budgeted in FY 14/15. Internal service charges drop by \$13,120.

Solid Waste (Fund 230)

Solid Waste operations are under the purview of the Public Service Department. The FY 15/16 budget for Solid Waste is \$10,713,360, a decrease of \$398,410 from the prior year. The reason for the reduction is a change in the allocation for one-time capital expenditures which shrink from \$470,000 to \$80,000. "Personal Services" decline from \$731,500 to \$680,100, the result of full-time position being moved from the Solid Waste Fund to the Public Service Department in the General Fund. This change does not impact the total headcount for the City of Knoxville. "Supply" costs remain constant at \$92,000. "Other Charges" grow by \$42,990 from \$9,818,270 to \$9,861,260 due to contractual mandated increases associated with municipal solid waste collections.

Safety City (Fund 240010)

The total budget for Safety City falls by \$446,910 to \$325,090. "Personal Service" expenses are up slightly by \$5,000. Risk management charges drop by \$1,910. The amount allocated for one-time capital expenses declines by \$450,000 when compared to FY 14/15.

Home Grant (Fund 264)

The total for FY 15/16 housing grants is \$2,015,580, a decrease of \$475,700 when com-

pared with FY14/15. This is due to along a reduction in federal funding for the Home program. The decrease is reflected in the allocation for projects.

Community Development (Fund 290)

This budget is funded from current and unspent prior year Federal Community Development Block Grant revenues. The FY15/16 budget of \$2,849,000 is up \$1,288,330 from the FY 14/15 budget due to the re-appropriation of unspent Federal funds. The funding for the "Supplies" category remains the same. The "Other Charges" category increases from \$755,130 to \$2,129,740 allowing for the funding of programs.

Public Assembly Facilities (Fund 503)

The Public Assembly Facilities Fund includes operations at the Civic Coliseum/Auditorium and Chilhowee Park. In total, the FY 15/16 budget remains flat at \$5,019,050 when compared to FY 14/15. "Personal Services" are up \$14,250 to fund salary and benefit increases. "Supply" costs decline by \$6,720 due to a shift to the "Other Charges" category. "Other Charges" drop by a total of \$109,370, the result of lower internal service charges (\$53,110) and depreciation expenses (\$62,980). The FY 15/16 budget includes \$102,000 for two capital projects.

Metro Parking (Fund 504)

The Metro Parking Fund accounts for the following City parking facilities: Jackson Avenue, Main Avenue Garage, Market Square Garage, Promenade Garage and the State Street Garage. These facilities are now contractually managed by the Public Building Authority for the city. The FY 15/16 budget totals \$3,199,900, an increase of \$445,670. "Personal Services" charges increase by \$59,750, mainly attributable to the addition of another parking meter position. "Other Charges" for the various parking operations go up approximately \$385,000, including depreciation. Capital funding is provided in the amount of \$500,000 for parking meter upgrades.

Mass Transportation (Fund 507)

The FY 15/16 budget for Mass Transit operations increases by \$215,720 to \$23,287,940. The budget includes all three divisions of KAT: Motor Buses, Trolleys, and Lift (para-transit) Services. Included in the budget is the first year funding of a five year Service Improvement Plan (\$273,000). Much of the increase in costs of mass transit from this change is offset lower

fuel costs (\$590k) The General Fund contribution to fund transit operations increases by \$30,170 to \$9,547,720.

Fleet Services (Fund 702)

The Fleet Services Operating Fund drops by \$882,910 to \$7,938,390. "Personal Services" increase by \$69,510. The budget for "Supplies" falls by \$1,141,470, primarily due to a decrease in the price of fuel. This decline is partially offset by an increase in "Other Charges" of \$218,050, which includes the implementation of the Automated Vehicle Location (AVL) system for all non public safety vehicles. Internal service charges fall by \$45,620. Capital expenses are budgeted at \$33,500, or \$29,000 less than in FY 14/15.

Risk Management (Fund 704)

The City has been very succesful in lowering both its claims for worker's compensation and

other liabilities. This is reflected in the budget for FY 15/16, which reduces by \$761,530 from \$7,758,670 to \$6,997,140 when compared to FY14/15. This success also occurs for KAT claims. For FY 15/16 the budget for the KAT related insurance is \$795,020 representing an savings of just under \$210,000.

Health Care (Fund 705)

The FY16 budget for the Health Care services fund increases by \$1,811,900 to \$21,384,120. "Personal Services" increases by \$22,010 to reflect the 2.5% raise and other benefit changes. The "Supplies" category decreases by \$380. Various "Other Charges" costs, for the purchase of external insurance and the funding self-insurance claims, increase by \$1,790,270 to \$20,948,450. This is due to past year claims experience and anticipated increases in health care costs.

City of Knoxville
Equalized General Fund Budget
Fiscal Years 2006/07 – 2015/16

The chart above shows the actual adopted General Fund budget compared to the budget adjusted for the impacts of inflation over the past ten years. As can be seen the adjusted budget has fluctuated both up and down over the years. The proposed FY 15/16 budget, as adjusted, is up when compared to 10 years ago, as well as from one year ago.

	<u>40,695,190</u>	<u>40,719,530</u>	<u>24,340</u>	

City of Knoxville

DEBT SERVICE

The City of Knoxville, like other cities, occasionally needs to borrow money in order to complete various capital projects. In the past the city has issued debt for such items as road paving and construction, fire station construction, waterfront development, storm sewer improvements, land acquisition and improvements at the World's Fair site, the new Convention Center, and vari-

The debt service on the general obligation bonds as well as the other category of debt is shown in Fund 305, the Debt Services Fund. The final category of debt, Enterprise Fund debt, debt attributable to the Convention Center, is consistent with proper accounting procedures, budgeted within the appropriate enterprise fund.

The primary revenue to this fund comes from a property tax levy of 53.34¢ per \$100 of assessed value. Property tax is projected to yield approximately \$24.55 million. Interest earnings are forecast at \$371,720. The Knoxville Community Development Corporation (KCDC) is committed to repay the debt service on a portion of the 2005A bonds. In FY 15/16 that amount is \$48,450. The Public Building Authority is also obligated to repay a portion of the 2012 Refunding bonds. For FY 15/16 that amount is \$190,250.

Debt Limitations

There are no limits on the amount of debt that can be issued by a municipality within the State of Tennessee (TCA 9-21-103). All notes and bonds must be approved by the state Director of Local Finance prior to issuance. This review/approval may address debt structure, maturities, and consistency with the City's established debt policy.

We believe that the current debt of the City is within acceptable guidelines, as established by the State and the various rating agencies.

The following pages show a complete debt service schedule of principal and interest payments for FY 15/16, as well as a complete amortization schedule by year.

TABLE 1

Type of Debt	Principal Outstanding 6/30/15	Principal Paid In FY 15/16	Principal Outstanding 6/30/16
G.O. Bonds & Notes	\$65,555,540	\$6,141,140	\$59,414,400
Enterprise Fund Debt	<u>115,239,460</u>	<u>4,533,860</u>	<u>110,705,600</u>
Total	<u>\$180,795,000</u>	<u>\$10,675,000</u>	<u>\$170,120,000</u>

ous other projects. As of June 30, 2015, the long-term debt of the City, excluding revenue supported debt of the Knoxville Utilities Board (KUB) and the Metropolitan Knoxville Airport Authority (MKAA), will be \$190,835,000. As KUB and MKAA are not a part of the City's operating budget the following analysis focuses only on the debt of the general government.

The debt of the City can be separated into two basic categories: general obligation bonds; and enterprise fund debt. A breakdown of general government debt by category is shown in Table 1.
